ASSET PURCHASE AGREEMENT

This ASSET PURCHASE AGREEMENT (this “Agreement”), dated as of December 2, 2022, by and among (i) Galaxy Digital Trading LLC, a Delaware limited liability company (“Purchaser”), GK8 LTD., a company formed under the Laws of the State of Israel under registration number 51 5881209 (the “Company”), and (ii) the Subsidiaries of the Company that are indicated on the signature pages attached hereto (together with the Company, each a “Seller” and collectively, “Sellers”), and (iii) solely for the purposes of Section 6.14, Galaxy Digital Holdings LP, a Cayman Islands exempted limited partnership (“Guarantor”), and (iv) solely in accordance with the last paragraph of Section 1.1, Celsius Network IL Ltd., a company formed under the Laws of the State of Israel (“CE Seller”). Purchaser and Sellers are referred to herein individually as a “Party” and collectively as the “Parties.” Capitalized terms used herein shall have the meanings set forth herein or in Article XI.

WHEREAS, certain Affiliates of the Company (not including the Company or its Subsidiaries) have filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), to be jointly administered for procedural purposes (collectively, the “Bankruptcy Case”), and Sellers shall join the Bankruptcy Case prior to entry of the Sale Order by the Bankruptcy Court; and

WHEREAS, Purchaser desires to purchase the Acquired Assets and assume the Assumed Liabilities from Sellers, and Sellers desires to sell, convey, assign, and transfer to Purchaser the Acquired Assets together with the Assumed Liabilities, in a sale authorized by the Bankruptcy Court pursuant to, *inter alia*, sections 105, 363, and 365 of the Bankruptcy Code, in accordance with the other applicable provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure and the local rules for the Bankruptcy Court, all on the terms and subject to the conditions set forth in this Agreement and the Sale Order and subject to entry of the Sale Order and recognition of the Bankruptcy Case and enforcement of the Sale Order by Order of a competent court in Israel (the “Israeli Court”), or issuance of an Order by the Israeli Court that otherwise permits the sale and transfer of the relevant Acquired Assets and Assumed Liabilities by the Company or on its behalf to Purchaser free and clear of any Encumbrances (other than Permitted Encumbrances) (either such Order issued by the Israeli Court, the “Israeli Court Order”).

WHEREAS, concurrently with the signing of this Agreement, and as a material inducement for Purchaser to enter into this Agreement, each of the Identified Employees (as defined herein) has agreed with Purchaser to one or more term sheets, attached hereto as Exhibit E, setting forth the material terms of (a) a non-competition and non-solicitation agreement with Purchaser or one of its Affiliates (the “Non-Competition Agreements”), and (b) an employment agreement with Purchaser or one of its Affiliates (the “Identified Employee Agreements”), in each case of (a) and (b), to become effective as of the Closing Date.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants, and agreements set forth herein, and intending to be legally bound hereby, the Parties hereby agree as follows.

ARTICLE I

PURCHASE AND SALE OF THE ACQUIRED ASSETS; ASSUMPTION OF ASSUMED LIABILITIES

1.1 Purchase and Sale of the Acquired Assets. Pursuant to sections 105, 363, and 365 of the Bankruptcy Code and sections 302 or 303 of the Israeli Insolvency and Economic Rehabilitation Law, 5778-2018 (the “Israeli Insolvency Law”) and section 34A of the Israeli Sales Law – 1968 (the “Israeli Sales Law”), on the terms and subject to the conditions set forth herein and in the Sale Order and the Israeli Court Order, at the Closing, Sellers shall sell, transfer, assign, convey, and deliver to Purchaser, and Purchaser shall purchase, acquire, and accept from Sellers, all of Sellers’ right, title, and interest as of the Closing in and to the Acquired Assets, free and clear of all Encumbrances other than Permitted Encumbrances. “Acquired Assets” means all of the properties, rights, interests and other assets of Sellers as of the Closing, whether tangible or intangible, real, personal or mixed, wherever located and whether or not required to be reflected on a balance sheet prepared in accordance with GAAP, including the following assets of Sellers, but excluding in all cases the Excluded Assets:

(c) without duplication of any other Acquired Assets, all royalties, advances, credits, prepaid assets (excluding prepaid Taxes of Sellers), security and other deposits, escrows, prepayments and other current assets (excluding current Tax assets), in each case relating primarily to the Business or the Acquired Assets as of the Closing;

(d) all Documents relating primarily to the Business, the Acquired Assets or the Assumed Liabilities;

(e) the Leased Real Property listed on Schedule 1.1(e) (the “Acquired Leased Real Property”), and any such agreement and rights related thereto or under such lease to the extent that such lease is an Assigned Contract, in each case, including any leasehold improvements and all permanent fixtures, improvements, and appurtenances thereto;

(h) all of the rights and benefits accruing under all Permits, to the extent transferable;

(i) to the extent transferable, all current and prior insurance policies (not including manager insurance policy or disability insurance of the Transferred Employees which is not part of the Acquired Assets) of the Company or its Subsidiaries that relate to the Acquired Assets or Assumed Liabilities, and all rights and benefits of Sellers or their Subsidiaries of any nature with respect thereto, including all insurance recoveries thereunder and rights to assert claims with respect to any such insurance recoveries, but excluding all interests in any rights to insurance recovery required to be paid to Persons other than Purchaser under any Order of the Bankruptcy Court relating to debtor-in-possession financing obtained by Sellers or their Affiliates;

(j) all rights of Sellers under non-disclosure or confidentiality, non-compete, or non-solicitation agreements with any Transferred Employee or any current or former employee of Sellers, current or former directors, consultants, independent contractors and agents of Sellers or their Subsidiaries or any of their Affiliates or with third parties;

(k) all Company Intellectual Property (including the Intellectual Property set forth on Schedule 3.11), including all rights to collect royalties and proceeds in connection therewith, and all rights to sue and recover for past, present and future infringements, misappropriations or other violations of such Intellectual Property against Persons (including Subsidiaries) and all rights of indemnity, warranty rights, rights of contribution, rights to refunds, rights of reimbursement and other rights of recovery, possessed by Sellers as of Closing (regardless of whether such rights are currently exercisable);

(l) all goodwill associated with the Acquired Assets, including all goodwill associated with the Company Intellectual Property;

(m) all inventory, supplies, and materials of Sellers as of the Closing (including all rights of Sellers to receive such inventory, supplies, materials, and spare parts that are on order), including all open purchase orders with suppliers that are, or are under or relate to, Assigned Contracts;

(n) all sales and promotional materials, marketing materials and databases, catalogues and advertising literature, supplier lists, customer lists, rights to the telephone and

facsimile numbers and email addresses owned by Sellers primarily in connection with the Business, as well as rights to receive mail and other communications addressed to Sellers related primarily to the Business (including mail and communications from customers, suppliers, distributors and agents of Sellers); and

(o) all other assets that are owned or leased by any Seller as of the Closing that are not Excluded Assets.

Notwithstanding anything to the contrary herein, Sellers agree that to the extent any Affiliate of a Seller (other than any other Seller, but including CE Seller) owns or holds any assets, properties or rights exclusively related to the Business that otherwise would have been an Acquired Asset if owned or held by any Seller as of immediately prior to the Closing, such assets, properties and rights shall be deemed to be Acquired Assets hereunder and Sellers shall cause such Acquired Assets then owned or held by such Affiliate to be sold, transferred, assigned and delivered by such Affiliate to Purchaser or its designee for no additional consideration (as if such Affiliate was a Seller hereunder) in accordance with the terms and conditions of this Agreement.

In addition, the Acquired Assets shall include, and, subject to the terms and conditions herein (other than as set forth in this sentence and subject to the limitations of this paragraph), at the Closing, CE Seller shall sell, transfer, assign, convey, and deliver to Purchaser, and Purchaser shall purchase, acquire, and accept from CE Seller, all of CE Seller's right, title, and interest (but no obligations or Liabilities of Celsius Network Ltd. or its Affiliates as of the Closing) under (x) the Share Purchase Agreement, free and clear of all Encumbrances other than Permitted Encumbrances, to (a) indemnification by sellers thereunder (Section 8.1), (b) cause third parties to hold information related to the Business confidential (Section 6.2), (c) cause third parties to refrain from competing against the Company or the Business or from soliciting or inducing any employee, customer, supplier or other business relation of the Company (Section 6.4), and (d) any escrow funds (Section 2.3) (if any) (the items described in clauses (a) through (d), the "Assigned SPA Rights"), to the extent permitted under applicable Law (it being understood and agreed that such CE Seller is not and will not be a Debtor in the Bankruptcy Case and such transfer will not be pursuant to sections 105, 363, and 365 of the Bankruptcy Code and sections 302 or 303 of the Israeli Insolvency Law and section 34A of the Israeli Sales Law, and not on the terms and subject to the conditions set forth in the Sale Order and the Israeli Court Order) and (y) the Indemnification Escrow Agreement. CE Seller hereby represents and warrants that it is a party to each of the Share Purchase Agreement and the Indemnification Escrow Agreement and that it has not assigned, transferred, sold or delegated such agreements (or any of its rights or obligations under such agreements) to any Person as of the date hereof. For the avoidance of doubt, all Liabilities of CE Seller arising under the Share Purchase Agreement shall be an Excluded Liability. CE Seller shall be considered a Seller hereunder solely for purposes of, and solely to the extent set forth in the immediately preceding sentence and solely to the extent necessary in connection with, transferring its right, title, and interest under the Assigned SPA Rights and the Indemnification Escrow Agreement in accordance herewith and, for such purposes and only to such extent, only with respect to Sections 1.1, 1.2, and 1.3, Article II, Sections 3.1, 3.2, 3.3, 3.5(b), 3.16, and 3.19, Sections 6.7, 6.9, 6.10, 6.11, and 6.12, Article VII, Article VIII, Article X, and Article XI. Sellers shall use reasonable best efforts to seek any Consents necessary in connection with the transfer of the Assigned SPA Rights hereunder.

1.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, in no event shall Sellers be deemed to sell, transfer, assign, convey, or deliver, and Sellers shall retain all right, title and interest to, in and under the following assets, properties, interests, and rights of each such Seller (collectively, the “Excluded Assets”):

- (a) all cash and cash equivalents;
- (b) all bank accounts listed on Schedule 1.2(b);

- (i) Sellers’ financial accounting books and records, corporate charter, minute and stock record books, corporate seal, checkbooks and canceled checks (whether written, electronic or in any other medium), advertising and promotional materials and similar items to the extent relating to any Excluded Assets or Excluded Liabilities; provided that Purchaser shall have the right to make copies of any portions of such documents;
- (j) Sellers’ rights under this Agreement, including the Purchase Price hereunder, or any agreement, certificate, instrument or other document executed and delivered between any Seller and Purchaser in connection with the transactions contemplated hereby, or any other agreement between any Seller and Purchaser entered into on or after the date hereof;

(k) any Tax asset other than Tax assets solely attributable to the Acquired Assets or Tax assets that transfer by automatic operation of Law to Purchaser as a result of acquiring the Acquired Assets;

(l) the properties and assets set forth on Schedule 1.2(l);

(n) any right, title, interest, properties, rights, and other assets expressly excluded by the provisions of Section 1.1;

(o) the sponsorship of each Seller Plan;

(p) (i) any claims or causes of action where any Seller and any of their Affiliates are co-plaintiffs and (ii) any legal privilege or copies of documents related to such claims or causes of action; and

(q) any Contract or asset that was not disclosed to Purchaser at least two Business Days prior to Purchaser’s execution and delivery of this Agreement to Sellers to the extent such Contract or asset is designated for exclusion by Purchaser upon notice to the Company at any time during the period commencing on the date of this Agreement and ending on the date that is 15 Business Days after the date such Contract or asset is first disclosed in writing to Purchaser or, if later, the date such Contract is made available to Purchaser and its legal counsel in the Dataroom (it being understood that the exclusion of any such Contract or asset will not change the Purchase Price); provided that any Contract or asset so designated for exclusion by Purchaser in accordance with this Section 1.2(q) shall be deemed an Excluded Contract or Excluded Asset, as applicable, effective as of such designation and automatically added to Schedule 1.2(m) or Schedule 1.2(l), as applicable. Any Contract set forth in the Schedules shall be deemed to be disclosed to Purchaser for purposes of this Section 1.2(q), and any Contracts listed in Sellers’ disclosures or notices (e.g., cure notices) in connection with Sellers filing voluntary petition for relief under the Bankruptcy Code in the Bankruptcy Court as contemplated by Section 5.1(b) shall be deemed to be disclosed to Purchaser after the date of this Agreement, and upon the filing of such disclosures in the Bankruptcy Court or, if later, the date such Contract is made available to Purchaser and its legal counsel in the Dataroom, the 15 Business Day period described above shall commence.

1.3 Assumption of Certain Liabilities. On the terms and subject to the conditions set forth herein and in the Sale Order and the Israeli Court Order, effective as of the Closing, in addition to the payment of the Cash Payment in accordance with Section 2.1, Purchaser shall irrevocably assume from Sellers (and, from and after the Closing, pay, perform, discharge, or otherwise satisfy in accordance with their respective terms), and Sellers shall irrevocably convey, transfer, and assign to Purchaser, only the following Liabilities, without duplication and only to the extent not paid, performed, discharged, or otherwise satisfied prior to the Closing (collectively, the “Assumed Liabilities”):

(a) all Liabilities and obligations of Sellers arising out of or relating to the Assigned Contracts;

(b) all Liabilities of the Company owing to Affiliates of the Company (other than its Subsidiaries) pursuant to the CE Commercial Agreement solely to the extent such Liabilities first accrue and are to be performed from and after the Closing and which relate to periods of time on or after the Closing;

(c) any Liabilities arising out of the ownership and operation of the Acquired Assets and the Business by Purchaser from and after the Closing Date;

(f) any Liabilities relating to trade accounts payable of Sellers or otherwise arising under or in connection with any Assigned Contract outstanding as of immediately prior to the Closing, in each case that are (i) expressly set forth on Schedule 1.3(f) or (ii) otherwise included in the Final Aggregate Payables Amount.

1.4 Excluded Liabilities. Notwithstanding anything to the contrary herein, Purchaser shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of, or Action against, Sellers, of any kind or nature whatsoever, whether absolute, accrued, contingent or otherwise, liquidated or unliquidated, due or to become due, known or unknown, currently existing or hereafter arising, matured or unmatured, direct or indirect, and however arising, whether existing on the Closing Date or arising thereafter as a result of any act, omission, or circumstances taking place prior to the Closing, in each case, that are not Assumed Liabilities (all such Liabilities not being assumed by Purchaser, the "Excluded Liabilities"). For avoidance of doubt, Excluded Liabilities shall include all Liabilities for or relating to (a) any indebtedness of any Seller (including credit card Liabilities), (b) any Liability to any direct or indirect member, shareholder or Affiliate of Sellers (including any intercompany loans owed to any Affiliate of Sellers) other than pursuant to the CE Commercial Agreement, (c) any and all Liabilities for: (i) costs and expenses incurred by Sellers or owed in connection with the administration of the Bankruptcy Cases (including the U.S. Trustee fees, the fees and expenses of attorneys, accountants, financial advisors, consultants and other professionals retained by Sellers or the Unsecured Creditors Committee and the fees and expenses of the post-petition lenders and pre-petition lenders incurred or owed in connection with the administration of the Bankruptcy Case) and (ii) all costs and expenses of Sellers incurred in connection with the negotiation, execution and consummation of the transactions contemplated under this Agreement, and (d) any Liability with respect to any Excluded Assets.

1.5 Assumption/Rejection of Certain Contracts.

(a) Assumption and Assignment of Executory Contracts. Sellers shall provide timely and proper written notice to all parties to any executory Contracts or unexpired leases to which any Seller is a party that are Assigned Contracts in accordance with the Bidding Procedures Order and take all other actions reasonably necessary to cause such Contracts to be assumed by

Sellers and assigned to Purchaser pursuant to section 365 of the Bankruptcy Code and section 75 or 72 together with sections 302 or 303 of the Israeli Insolvency Law. The Sale Order and the Israeli Court Order shall provide that as of and conditioned on the occurrence of the Closing, Sellers shall assign to Purchaser the Assigned Contracts, which assumption shall be effectuated in accordance with the Bidding Procedures Order. The notice of assumption to be filed and served in accordance with the Bidding Procedures Order shall, among other things, set forth Sellers' good faith estimate of the amounts necessary to cure any defaults under each of the Assigned Contracts as determined by Sellers based on Sellers' books and records or as otherwise determined by the Bankruptcy Court. At the Closing, Sellers shall, pursuant to the Sale Order and the Israeli Court Order, Bidding Procedures Order, and the Assignment and Assumption Agreement, assume and assign to Purchaser (the consideration for which is included in the Purchase Price), all Assigned Contracts pursuant to sections 363 and 365 of the Bankruptcy Code and section 75 (or section 72, if applicable) of the Israeli Insolvency Law. All cure costs required to be paid pursuant to section 365 of the Bankruptcy Code or section 75 (or section 72, if applicable) of Israeli Insolvency Law in connection with the assumption and assignment of or to cure any defaults under each of the Assigned Contracts ("Cure Costs") shall be paid by Sellers on or within one (1) Business Day of the Closing Date, and not by Purchaser, and Purchaser shall have no Liability therefor, and neither the Cure Costs nor the expense of any other obligation set forth in this Section 1.5 shall increase, directly or indirectly, any consideration received by Sellers hereunder. At the Closing, Purchaser shall assume, and thereafter in due course and in accordance with its respective terms pay, fully satisfy, discharge and perform all of the Assumed Liabilities under each Assigned Contract pursuant to section 365 of the Bankruptcy Code or section 75 (or section 72, if applicable) of the Israeli Insolvency Law.

(b) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser to the extent that such Contract is terminated by any party thereto (other than any Seller), or terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court or the Israeli Court) notwithstanding the provisions of Sections 363 and 365 of the Bankruptcy Code, in order to permit the sale or transfer to Purchaser of any Seller's rights over such asset, and such Consent or Governmental Authorization has not been obtained prior to such time as it is to be transferred by Purchaser as an Acquired Asset hereunder, such asset shall not be an Acquired Asset hereunder and shall not be transferred to, or received by, Purchaser. In the event that any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such Consent or Governmental Authorization is obtained and twelve (12) months following the Closing (or the closing of the Bankruptcy Case, if shorter), Sellers and Purchaser shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the

Closing and (B) cooperate in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser any or all of such Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related actual Tax costs imposed on such Seller or its Affiliates or any direct costs associated with the retention and maintenance of such Acquired Asset incurred by such Seller or its Affiliates) under such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser shall assume any related burden and obligation with respect to such Acquired Asset. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, such Acquired Asset shall promptly be transferred and assigned to Purchaser in accordance with the terms of this Agreement, the Sale Order, the Israeli Court Order and the Bankruptcy Code.

ARTICLE II

CONSIDERATION; PAYMENT; CLOSING

2.1 Consideration; Payment.

(a) The aggregate consideration (collectively, the "Purchase Price") to be paid by Purchaser for the purchase of the Acquired Assets shall be: (i) the assumption of Assumed Liabilities and (ii) a cash payment of (A) \$44,000,000, less (B) the IIA Redemption Payment (the payment of which will be made by the Purchaser on the Closing Date), less (C) the Aggregate Payables Amount, less (D) the Escrow Adjustment Amount (the "Cash Payment"). Notwithstanding any other provision of this Agreement, all sums payable, or consideration given, by Purchaser under this Agreement, including the Purchase Price, are exclusive of VAT, which shall be paid by the Purchaser to the Company, to the extent applicable, when due pursuant to the Israeli VAT Law - 1975 (the "VAT Law"), against a valid tax invoice duly issued by the Company.

(b) At the Closing, Purchaser shall deliver, or cause to be delivered, (i) to the Company the Cash Payment (determined using the Estimated Aggregate Payables Amount in place of the Aggregate Payables Amount) less the Deposit (the "Closing Date Payment"), (ii) to the Company the Estimated Aggregate Cure Amount, which amount shall be held by the Company in a segregated account free and clear of all Encumbrances and used solely to pay any Cure Costs required to be paid by Sellers pursuant to Section 1.5(a), and (iii) to the applicable Governmental Body, the IIA Redemption Payment. The Closing Date Payment and any payment required to be made pursuant to any other provision hereof shall be made in cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by the applicable Party to (or for the benefit of) whom such payment is to be made at least two Business Days prior to the date such payment is to be made.

2.2 Deposit.

(a) Purchaser has, on or prior to the date hereof, made an earnest money deposit with SRS Acquiom (the "Escrow Agent") in an amount equal to \$5,400,000 (the "Deposit"), by

wire transfer of immediately available funds for deposit into a separate escrow account (the “Escrow Account”) pursuant to an escrow agreement dated as of November 3, 2022, as amended on or about the date hereof (the “Escrow Agreement”) among Purchaser, Sellers and Escrow Agent. The Deposit shall not be subject to any lien, attachment, trustee process, or any other judicial process of any creditor of any of Sellers or Purchaser.

(b) If this Agreement has been terminated by the Company pursuant to Section 8.1(f) or 8.1(h), then the Company shall retain the Deposit together with all received investment income, if any.

(c) If (i) Purchaser is not selected as the Successful Bidder or the Backup Bidder on or before the conclusion of the Auction if there is an Auction, (ii) Purchaser is not selected as the Successful Bidder or the Backup Bidder on or before December 5, 2022 if there is not an Auction, or (iii) this Agreement has been terminated by any Party, other than as contemplated by Section 2.2(b), then the Deposit, together with all received investment income, if any, shall be returned to Purchaser within five (5) Business Days after Purchaser is notified it is not the Successful Bidder or such termination, as applicable.

(d) The Parties agree that the Company’s right to retain the Deposit, as set forth in Section 2.2(b), is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Sellers for their respective efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision.

(e) If the Closing occurs, (i) the Deposit less the Escrow Adjustment Amount shall be transferred to the Company and applied against payment of the Purchase Price on the Closing Date; and (ii) the Escrow Agent shall retain the Escrow Adjustment Amount until such amount is disbursed in accordance herewith and the Escrow Agreement.

2.3 Closing Certificate; Adjustment of Purchase Price.

(a) At least three (3) Business Days prior to the Closing, Sellers shall prepare and deliver to Purchaser a statement setting forth Sellers’ good faith estimate of the Aggregate Cure Amount (the “Estimated Aggregate Cure Amount”) and the Pre-Closing Payables Amount and the Aggregate Payables Amount (the “Estimated Aggregate Payables Amount”), together with a reasonably detailed calculation thereof (such statement and calculation, the “Closing Statement”). In the event that the Purchaser objects to or disputes the Closing Statement (in whole or in part), Sellers and the Purchaser will each make a good faith effort to resolve such objections or disputes prior to the Closing and Sellers shall deliver a revised Closing Statement reflecting any such agreed resolutions; provided that if any such objections or disputes are not resolved by 5:00 p.m. (prevailing Eastern time) on the calendar day immediately prior to the Closing Date, the Closing Statement will be the statement delivered by Sellers pursuant to this Section 2.3(a), as modified by any such objections and disputes that have been so resolved, if any, as of such time. For purposes of complying with the terms set forth in this Section 2.3(a), Section 2.3(b), and Section 2.3(c), Sellers and the Purchaser shall cooperate with and make available to the other Party and their Representatives all information, records, data and working papers used by such Persons

in connection with the preparation of the Closing Statement and the Final Statement, and shall permit access to its facilities and personnel (upon reasonable advance notice), as may be reasonably required in connection with the analysis of the Closing Statement and the Final Statement and the calculations thereon, such information, records, data and work papers and the resolution of any disputes with respect thereto. Notwithstanding anything to the contrary herein, in the event any Cure Cost has not been finally determined (whether by the Bankruptcy Court, mutual agreement of the parties to the applicable Assigned Contract or otherwise) at the time of Sellers' delivery of the Closing Statement, the maximum amount claimed or asserted by any party to the applicable Assigned Contract shall be used as the Cure Cost for such Assigned Contract for purposes of calculating the Estimated Aggregate Cure Amount and the Estimated Aggregate Payables Amount.

(b) Promptly, but in any event within seventy-five (75) days after the Closing Date, Purchaser shall prepare and deliver to Sellers a statement setting forth in reasonable detail Purchaser's good faith calculation of the Aggregate Payables Amount (the "Final Aggregate Payables Amount"), and Purchaser's calculation of the amount of any payments required pursuant to Section 2.3(d) (together with the Final Aggregate Payables Amount, the "Final Statement"). The Closing Statement and the Final Statement shall be prepared in accordance with the definitions set forth herein and the Accounting Methodology. For the avoidance of doubt, Sellers and Purchaser agrees that the calculation of the Final Aggregate Payables Amount shall not permit the introduction of any accounting methods, policies, principles, practices, procedures, classifications, judgments, estimations or other methodologies that are different from the Accounting Methodology.

(c) If Sellers disagree with the Purchaser's determination of the Final Statement, Sellers may, within thirty (30) days after receipt of the Final Statement, deliver a written notice (a "Dispute Notice") to the Purchaser setting forth in reasonable detail Sellers' good faith calculation of each disputed amount (each an "Item of Dispute") and the basis therefor. If the Purchaser does not receive a Dispute Notice within thirty (30) days after delivery by the Purchaser of the Final Statement, the Final Statement shall be conclusive and binding upon each of the Parties. If the Purchaser receives a Dispute Notice from Sellers within thirty (30) days after delivery by the Purchaser of the Final Statement, the Purchaser and Sellers shall negotiate in good faith to resolve each Item of Dispute, and, if any Item of Dispute is so resolved, the Final Statement shall be modified to the extent necessary to reflect such resolution. If any Item of Dispute remains unresolved as of the thirtieth (30th) day after delivery by Sellers of the Dispute Notice, the Purchaser and Sellers shall jointly retain WithumSmith+Brown, PC or, if such firm is unavailable or unwilling to serve, a nationally or regionally recognized accounting firm mutually acceptable to the Company and the Purchaser (the "Accounting Firm") within ten (10) Business Days following the expiration of such thirty (30) day period, including by executing a customary engagement letter with the Accounting Firm. The Purchaser and Sellers shall instruct the Accounting Firm to render a determination as to each unresolved Item of Dispute within thirty (30) days after its retention, and the Purchaser and Sellers shall cooperate fully with the Accounting Firm so as to enable it to make such determination as quickly and accurately as reasonably practicable, including the provision by each such Person of all books and records and work papers (including those of their accountants and auditors following the execution of customary work paper access letters) relating to the Final Statement and all other items reasonably requested by the Accounting Firm (in each case in such a manner so as not to waive or eliminate any privilege

applicable to any such information). The Accounting Firm shall consider only those items and amounts that were set forth on the Dispute Notice and that remain unresolved by the Purchaser and Sellers. In resolving any Item of Dispute, the Accounting Firm may not assign a value to any such item greater than the greatest value for such item claimed by either Party, or less than the smallest value for such item claimed by either Party, on the Final Statement or the Dispute Notice, as applicable. The Accounting Firm's determination(s) shall be as an expert, not as an arbiter, and shall be based upon the definitions of Aggregate Payables Amount, Aggregate Cure Amount and Pre-Closing Payables Amount included herein and the Accounting Methodology. The Accounting Firm's determination of each Item of Dispute submitted to it shall be in writing, shall conform with this Section 2.3(c) and shall be conclusive and binding upon each of the Parties, and the Final Statement shall be modified to the extent necessary to reflect such determination(s). The Accounting Firm shall allocate its fees, costs and expenses between the Purchaser, on the one hand, and Sellers, on the other hand, based upon the percentage which the portion of the contested amount not awarded to each such Party bears to the amount actually contested by such Party.

(d) If the Final Aggregate Payables Amount as finally determined pursuant to this Section 2.3 is greater than the Estimated Aggregate Payables Amount, then the Purchaser and Sellers will instruct the Escrow Agent to deduct the amount of such excess from the Escrow Adjustment Amount, promptly pay the amount of such excess to Purchaser by wire transfer of immediately available funds, and then promptly pay to the Company the balance (if any) of the Escrow Adjustment Amount after such deduction to the Company by wire transfer of immediately available funds. If the Final Aggregate Payables Amount as finally determined pursuant to this Section 2.3 is less than the Estimated Aggregate Payables Amount, then the Purchaser will promptly pay to the Company, by wire transfer of immediately available funds, an amount equal to such deficit, and the Purchaser and Sellers will instruct the Escrow Agent to release to the Company the Escrow Adjustment Amount.

(e) For Tax purposes, any payment by any Party hereto pursuant to this Section 2.3 shall be treated as an adjustment to the Purchase Price unless otherwise required by Law.

(f) The process set forth in this Section 2.3 shall be the sole and exclusive remedy of any of the Parties and their respective Affiliates against any of the other Parties for any disputes related to the Final Aggregate Payables Amount, the Estimated Aggregate Payables Amount, and the calculations and amounts on which they are based or set forth in the related statements and notices delivered in connection therewith.

2.4 Closing. The closing of the purchase and sale of the Acquired Assets, the delivery of the Purchase Price, the assumption of the Assumed Liabilities, and the consummation of the other transactions contemplated by this Agreement (the "Closing") will take place by telephone conference and electronic exchange of documents (or, if the Parties agree to hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 300 North LaSalle, Chicago, Illinois 60654) at 9:00 a.m. Chicago time on the second (2nd) Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions), or at such other place and

time as the Parties may agree. The date on which the Closing occurs is referred to herein as the “Closing Date.”

2.5 Closing Deliveries by Sellers. At or prior to the Closing, Sellers shall deliver to Purchaser:

(a) a bill of sale and assignment and assumption agreement substantially in the form of Exhibit A (the “Assignment and Assumption Agreement”), duly executed by Sellers;

(b) a short-form patent assignment agreement substantially in the form of Exhibit B, duly executed by Sellers;

(c) a short-form trademark assignment agreement substantially in the form of Exhibit C, duly executed by Sellers;

(d) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of the Company certifying that the conditions set forth in Sections 7.2(a) and 7.2(b) have been satisfied;

(e) a joint written instruction, duly executed by the Company, instructing the Escrow Agent to release to the Company by wire transfer of immediately available funds, the Deposit; and

(f) such other customary instruments of transfer, assumption, filings or documents, in form and substance reasonably satisfactory to Purchaser, as may be required to give effect to this Agreement as reasonably requested by Purchaser, except for such instruments or documents as are, pursuant to applicable Law, required to be made after the Closing, in which case Sellers shall deliver such instruments or documents to Purchaser as reasonably requested by Purchaser promptly following the Closing.

2.6 Closing Deliveries by Purchaser. At the Closing, Purchaser shall deliver to (or at the direction of) the Company:

(a) the Assignment and Assumption Agreement, duly executed by Purchaser;

(b) evidence that the IIA Redemption Payment has been paid directly to the IIA bank account;

(c) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of Purchaser certifying that the conditions set forth in Sections 7.3(a) and 7.3(b) have been satisfied; and

(d) a joint written instruction, duly executed by Purchaser, instructing the Escrow Agent to release to the Company by wire transfer of immediately available funds, the Deposit.

2.7 Withholding. Purchaser shall be entitled to deduct and withhold from any amounts payable pursuant to this Agreement such amounts as are required to be deducted or withheld under

applicable tax Law; provided further that, without derogating from the generality of the foregoing in this Section 2.7, in the event that the applicable Seller delivered to the Purchaser, prior to the Closing, a Valid Tax Certificate then the deduction and withholding of any amounts under the Israeli Tax Ordinance [New Version], 1961 (the “Ordinance”) from the amounts payable to the applicable Seller shall be made only in accordance with the provisions of such Valid Tax Certificate. To the extent such amounts are so deducted and withheld, (i) such amounts shall be promptly and timely remitted to the applicable Governmental Body, (ii) such amounts shall be treated for all purposes under this Agreement as having been paid to Sellers in respect of whom such deduction and withholding was made, and (iii) Purchaser shall promptly (and in any event, no later than within 30 days following payment of such amounts) provide to the applicable Seller a written confirmation of the amount so withheld and its transfer to the appropriate Governmental Body. “Valid Tax Certificate” means: a valid certificate of exemption from withholding (or approving a reduced rate of withholding tax) in form and substance reasonably satisfactory to the Purchaser issued by the Israeli Tax Authority (“ITA”); provided that the certificate issued by ITA to the Company pursuant to the Israeli Income Tax Regulations (Withholding from Payments for Services or Assets), 5737-1977 valid on the payment date (“פטור מנכסים ושירותים”), in the form attached hereto as Schedule 2.7 shall be deemed to be satisfactory to Purchaser.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as (i) disclosed in any forms, statements or other documents filed with the Bankruptcy Court or (ii) set forth in the Schedules delivered by the Company concurrently herewith and subject to Sections 6.6(a) and 10.10, Sellers represent and warrant to Purchaser as of the date hereof as follows.

3.1 Organization and Good Standing.

(a) The Company is an entity organized, validly existing, and not a defaulting company (“חברה מפירה”) under the Laws of Israel and has all requisite corporate power and corporate authority necessary to carry on its business as it is now being conducted, subject to the provisions of the Bankruptcy Code and the Israeli Insolvency Law.

(b) Each of the Company’s Subsidiaries is duly organized, validly existing, and in good standing (where such concept is recognized under applicable Law) under the Laws of the jurisdiction of its organization, has all requisite corporate or similar organizational power and authority necessary to carry on its business as it is now being conducted, subject to the provisions of the Bankruptcy Code and the Israeli Insolvency Law.

3.2 Authority and Enforceability. Each Seller has all necessary corporate power or similar organizational power and authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution, delivery, and performance by each Seller of this Agreement, and the consummation by each Seller of the transactions contemplated hereby, subject to requisite Bankruptcy Court and Israeli Court approvals, have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on its part are necessary to authorize

the execution, delivery, and performance by such Seller of this Agreement and the consummation by it of the transactions contemplated hereby. Subject to requisite Bankruptcy Court and Israeli Court approvals, this Agreement has been duly executed and delivered by such Seller and, assuming due authorization, execution and delivery hereof by the other Parties, constitutes a legal, valid, and binding obligation of such Seller, enforceable against such Seller in accordance with its terms, except that such enforceability (a) may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium, and other similar Laws of general application affecting or relating to the enforcement of creditors' rights generally and (b) is subject to general principles of equity, whether considered in a proceeding at law or in equity ((a) and (b), collectively, the "Enforceability Exceptions").

3.3 No Conflict. Assuming that (a) requisite Bankruptcy Court and Israeli Court approvals are obtained, (b) the notices, authorizations, approvals, Orders, permits, or Consents set forth on Schedule 3.3 are made, given, or obtained (as applicable), and (c) the requirements of any applicable antitrust, competition, merger control, foreign direct investment, or similar Laws ("Competition Laws") are complied with, neither the execution and delivery by Sellers of this Agreement, nor the consummation by Sellers of the transactions contemplated hereby, nor performance or compliance by Sellers with any of the terms or provisions hereof, will (i) conflict with or violate any provision of the Company's Organizational Documents or the Organizational Documents of any of the Company's Subsidiaries, (ii) violate any Law or Order applicable to the Company or any of its Subsidiaries, (iii) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit under, any of the terms or provisions of any Material Contract or accelerate the Company's or, if applicable, any of its Subsidiaries' obligations under any Material Contract, or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of the Company or any of its Subsidiaries, except, in the case of clauses (ii) through (iv), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.4 Financial Statements.

(a) Attached to Schedule 3.4(a) is (i) the unaudited balance sheet of the Company as at September 30, 2022 and the related unaudited statements of comprehensive loss, changes in equity, and cash flows for the 9-month period then ended, (ii) the audited balance sheet of the Company as at December 31, 2021 and the related audited statements of comprehensive loss, changes in equity, and cash flows for the 12-month period then ended, and (iii) the audited balance sheet of the Company as at December 31, 2020 and the related audited statements of comprehensive loss, changes in equity, and cash flows for the 12-month period then ended (collectively, the "Financial Statements").

(b) Except as described in Schedule 3.4(b), the Financial Statements (i) have been prepared in accordance with GAAP, consistently applied throughout the periods involved, and (ii) fairly present in all material respects the financial condition and results of operations of the Company and its Subsidiaries.

3.5 Title to Properties.

(a) Schedule 3.5(a) contains a list of all real property leased by the Company and its Subsidiaries (the “Leased Real Property,” and the agreements pursuant to which such Leased Real Property is leased, the “Leases”). Except as set forth on Schedule 3.5(a), the Company or its Subsidiaries have a valid leasehold estate in all Leased Real Property, free and clear of all Encumbrances, other than Permitted Encumbrances and any exceptions that are not material to the Business and the Acquired Assets, taken as a whole. Sellers have made available to Purchaser a true and correct copy of each of the Leases (including all amendments thereto). Except as set forth on Schedule 3.5(a), neither the Company nor its Subsidiaries has leased or otherwise granted to any Person rights to use or occupy any of the Leased Real Property that would reasonably be expected to materially impair the use or occupancy of the Leased Real Property in the operation of the Business and the Acquired Assets, taken as a whole.

(b) Neither the Company nor any of its Subsidiaries owns any real property. Neither the Company nor its Subsidiaries is a party to any agreement or option to purchase any real property or interest in any real property.

(c) The Company and its Subsidiaries own good title to, or hold a valid leasehold interest in, all of the material tangible property used by them in the conduct of their business as now conducted, free and clear of all Encumbrances, except for Permitted Encumbrances, other than any failure to own or hold such tangible property that is not material to the Business and the Acquired Assets, taken as a whole.

(d) Neither the Company nor any of its Subsidiaries owns or holds any third-party cryptocurrency or funds in any custodial capacity.

3.6 Insurance. Except as would not, individually or in the aggregate, reasonably be expected to be material to the Business and the Acquired Assets, taken as a whole, (a) the Company and its Subsidiaries own or hold policies of insurance, or are self-insured, in amounts providing reasonably adequate coverage against all risks customarily insured against by companies in similar lines of business as the Company and its Subsidiaries and (b) all such insurance policies are in full force and effect except for any expiration thereof in accordance with the terms thereof, no written notice of cancelation or modification has been received other than in connection with ordinary renewals, and there is no existing default or event which, with the giving of notice or lapse of time or both, would constitute a default by any insured thereunder.

3.7 Material Contracts.

(a) Schedule 3.7 sets forth a list of all Material Contracts as of the date of this Agreement. “Material Contract” means any Contract to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries or any of their respective properties or assets is bound (in each case, excluding any Seller Plan) that:

(vii) is a Contract (other than purchase orders) with a customer of the Company or any of its Subsidiaries pursuant to which the Company or any of its Subsidiaries received aggregate net payments of more than \$100,000 during the fiscal year ended December 31, 2021;

(viii) is a material license of any material Intellectual Property or a license of any material Intellectual Property that involves payments (by or to the Company or any of its Subsidiaries) in excess of \$50,000 per annum and is not terminable by the Company or such Subsidiary upon notice of thirty (30) days or less for a cost of \$125,000 or less (other than licenses of commercially available, off-the-shelf software, customer agreements, and licenses to customers entered into in the Ordinary Course);

(ix) is for the delivery of goods or provision of services with an outstanding balance as of the date hereof in excess of \$100,000 payable to or by the Company or any of its Subsidiaries;

obligations or the payment of any penalty under, such Contract, (y) Contracts entered into in the Ordinary Course granting exclusive rights to sell or distribute certain of the Company's and its Subsidiaries' products or containing "most favored nation" provisions with respect to certain of the Company's and its Subsidiaries' products or (z) any provision in any license agreements for Intellectual Property limiting the Company's and its Subsidiaries' use of such Intellectual Property to specified fields of use or specified territories;

(xi) involves any resolution or settlement of any actual or threatened Action involving the Company or any of its Subsidiaries involving (A) outstanding payment obligations by the Company or its Subsidiaries in excess of \$50,000 or (B) any other ongoing requirements or restrictions that are material to the Business and the Acquired Assets, taken as a whole; or

(xii) is a Contract to enter into any of the foregoing.

(b) Except (i) as a result of the commencement of the Bankruptcy Case or Actions before the Israeli Court and (ii) with respect to any Contract that has previously expired in accordance with its terms, been terminated, restated or replaced, (v) each Material Contract is valid and binding on the Company or its Subsidiary to the extent such Person is a party thereto, as applicable, and to the Knowledge of Sellers, each other party thereto, and is in full force and effect, except where the failure to be valid, binding or in full force and effect would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (w) the Company or its Subsidiaries to the extent such Person is a party thereto, as applicable, and, to the Knowledge of Sellers, any other party thereto, have performed all obligations required to be performed by it under each Material Contract, except where such nonperformance would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (x) neither the Company nor any of its Subsidiaries have received written notice of the existence of any breach or default on the part of the Company or any of its Subsidiaries under any Material Contract, except where such default would not, individually or in the aggregate, reasonably be expected to be material to the Business and the Acquired Assets, taken as a whole, (y) there are no events or conditions which constitute, or, after notice or lapse of time or both, will constitute a default on the part of the Company or any of its Subsidiaries, or to the Knowledge of Sellers, any counterparty under such Material Contract, and (z) to the Knowledge of Sellers, the Company has not received any notice from any Person that such Person intends to terminate, or not renew, any Material Contract, except as would not, individually or in the aggregate, reasonably be expected to be material to the Business and the Acquired Assets, taken as a whole. The Company has made available to Purchaser a true and correct copy of each written Material Contract.

3.8 Litigation. 3.19 No Other Representations or Warranties. Except for the representations and warranties expressly contained in this Article III (in each case, as qualified by the Schedules and in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement) (the “Express Representations”) (it being understood that Purchaser and the Purchaser Group have relied only on such express representations and warranties), Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that neither Sellers, nor any other Person on behalf of Sellers makes, and neither Purchaser nor any member of the Purchaser Group has relied on, the accuracy or completeness of any express or implied representation or warranty with respect to the Company or any of its Subsidiaries, the Acquired Assets, or the Assumed Liabilities or with respect to any information, statements, disclosures, documents, projections, forecasts, or other material of any nature made available or provided by any Person (including in the Projections, the Confidential Information Memorandum prepared by Centerview Partners (the “Information Presentation”) or in that certain datasite entitled “Project Knox” administered by SecureDocs (the “Dataroom”) or elsewhere) to Purchaser or any of its Affiliates or Advisors on behalf of Sellers or any of their Affiliates or Advisors. Without limiting the foregoing, neither Sellers nor any other Person will have or be subject to any Liability whatsoever to Purchaser, or any other Person, resulting from the distribution to Purchaser or any of its Affiliates or Advisors, or Purchaser’s or any of its Affiliates’ or Advisors’ use of or reliance on, any such information, including the Information Presentation, the Projections, any information, statements, disclosures, documents, projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors in the Dataroom or otherwise or any discussions with respect to any of the foregoing information.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF PURCHASER

Purchaser represents and warrants to Sellers as of the date hereof and as of the Closing Date as follows.

4.1 Organization and Qualification. Purchaser is a limited liability company duly incorporated, validly existing and in good standing under the laws of the State of Delaware and has all requisite corporate power and corporate authority necessary to carry on its business as it is now being conducted, except (other than with respect to Purchaser’s due incorporation and valid existence) as would not, individually or in the aggregate, reasonably be expected to prevent or materially delay the ability of Purchaser to consummate the transactions contemplated hereby. Purchaser is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on Purchaser. Purchaser is not in violation of any of the provisions of its Organizational Documents, except as would not reasonably be expected to prevent or materially delay the ability of Purchaser to consummate the transactions contemplated hereby.

4.2 Authorization of Agreement. Purchaser has all necessary corporate power and corporate authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution, delivery, and performance by Purchaser of this Agreement, and the consummation by Purchaser of the transactions contemplated hereby, have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on its part are necessary to authorize the execution, delivery, and performance by Purchaser of this Agreement and the consummation by it of the transactions contemplated hereby. This Agreement has been duly executed and delivered by Purchaser and, assuming due authorization, execution, and delivery hereof by the other parties hereto, constitutes a legal, valid, and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, subject to the Enforceability Exceptions.

4.3 Conflicts; Consents. Assuming that (a) requisite Bankruptcy Court and Israeli Court approvals are obtained, (b) the notices, authorizations, approvals, Orders, permits or Consents set forth on Schedule 4.3 are made, given, or obtained (as applicable), and (c) any filings required by any applicable international, federal, or state securities or “blue sky” Laws are made, neither the execution and delivery by Purchaser of this Agreement, nor the consummation by Purchaser of the transactions contemplated hereby, nor performance or compliance by Purchaser with any of the terms or provisions hereof, will (i) conflict with or violate any provision of Purchaser’s Organizational Documents, (ii) violate any Law or Order applicable to Purchaser, (iii) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit under, any of the terms or provisions of any material Contract to which Purchaser is a party or accelerate Purchaser’s obligations under any such Contract, or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of Purchaser or any of its Subsidiaries, except, in the case of clauses (ii) through (iv), as would not, individually or in the aggregate, reasonably be expected to prevent or materially delay the ability of Purchaser to consummate the transactions contemplated hereby.

4.4 Financing. Purchaser has, and will have at the Closing, sufficient funds in an aggregate amount necessary to pay the Purchase Price, to perform the Assumed Liabilities as they become due in accordance with their terms, and to consummate all of the other transactions contemplated by this Agreement, including the payment of the Purchase Price and all fees and expenses of, and other amounts required to be paid by Purchaser in connection with the transactions contemplated by this Agreement. Purchaser is and shall be capable of satisfying the conditions contained in sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assigned Contracts and the related Assumed Liabilities.

4.5 Tax Residency for VAT Purposes. Purchaser is a ‘foreign resident’ (תושב חוזר) pursuant to Section 30(C) of the VAT Law.

4.6 Brokers. There is no investment banker, broker, finder, or other intermediary which has been retained by or is authorized to act on behalf of Purchaser that might be entitled to any fee or commission in connection with the transactions contemplated by this Agreement.

4.7 No Litigation. There are no Actions pending or, to Purchaser's knowledge, threatened against or affecting Purchaser that will adversely affect Purchaser's performance under this Agreement or the consummation of the transactions contemplated by this Agreement.

4.8 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments, agreements, or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, and any member of the management of the Company or any of its Subsidiaries or board of directors (or applicable governing body of any Subsidiary), any holder of equity or debt securities of the Company or its Subsidiaries, or any lender or creditor of the Company or its Subsidiaries, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the transactions contemplated by this Agreement or (b) that would be reasonably likely to prevent, restrict, impede, or affect adversely the ability of the Company to entertain, negotiate, or participate in any such transactions.

4.9 No Additional Representations or Warranties. Except for the representations and warranties contained in this Article IV, Sellers acknowledges that neither Purchaser nor any other Person on behalf of Purchaser makes any other express or implied representation or warranty with respect to Purchaser or with respect to any other information provided to Sellers by Purchaser.

ARTICLE V

BANKRUPTCY COURT MATTERS

5.1 Bankruptcy Actions.

(a) Sellers may modify the Bidding Procedures or the proposed Sale Order following consultation with the unsecured creditors' committee appointed in the Bankruptcy Case, in accordance with the Bidding Procedures Order, or any other party in interest, including Purchaser, with any such modifications being subject to Purchaser's prior written consent (not to be unreasonably withheld, conditioned or delayed). The bidding procedures to be employed with respect to this Agreement shall be those reflected in the Bidding Procedures Order.

(b) No later than December 6, 2022, each Seller shall file a voluntary petition for relief under the Bankruptcy Code in the Bankruptcy Court and for the entry of an order by the Bankruptcy Court authorizing any of Sellers to act as foreign representative on behalf of Sellers' estates. Sellers have filed with the Bankruptcy Court a motion seeking entry of the Sale Order. Sellers shall promptly provide Purchaser with drafts of any and all material pleadings material with respect to the sale of the Business or the Acquired Assets, including proposed Orders to be filed or submitted in connection with this Agreement for Purchaser's prior review and comment. The proposed form of Sale Order shall be reasonably acceptable to Purchaser to the extent such Sale Order relates to the Acquired Assets, any Assumed Liabilities, this Agreement or any of Purchaser's obligations hereunder. Sellers shall materially comply with all notice requirements (x) of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure or (y) imposed by Sale Order or the Israeli Court Order, in each case in connection with any pleading, notice or motion to be filed in connection herewith. The Parties shall use their respective commercially reasonable efforts to (i) obtain entry by the Bankruptcy Court of the Sale Order (including any enforcement thereof and obtainment of any other Orders required or appropriate in connection therewith by the

Israeli Court and any actions or decisions required or appropriate by any court appointed officer, if applicable), (ii) obtain entry by the Israeli Court of the Israeli Court Order and (iii) consummate the transactions contemplated hereby as promptly as practicable and in any case prior to the Outside Date. In the event the entry of the Sale Order is appealed, Sellers and Purchaser shall use their respective commercially reasonable efforts to defend such appeal. To the extent Sellers have not previously provided parties holding Encumbrances or other interests in the Acquired Assets notice that the Acquired Assets are intended to be sold free and clear of all such Encumbrances or other interests, Sellers will promptly serve such notice upon any such party.

(c) Within ten (10) days after the entry of an order by the Bankruptcy Court authorizing any of Sellers to act as foreign representative on behalf of Sellers' estates, each Seller shall (i) commence a proceeding under the Israeli Insolvency Law in the Israeli Court seeking recognition of the Bankruptcy Case and (ii) file with the Israeli Court the appropriate motion or motions seeking entry of the Israeli Court Order, which shall provide, among other things, that the Sale Order is enforceable in Israel.

(d) Purchaser agrees to use its commercially reasonable efforts to promptly take all actions as are reasonably requested by Sellers to assist in obtaining the Bankruptcy Court's entry of the Sale Order, the Israeli Court's entry of the Israeli Court Order, and any other Order reasonably necessary to authorize the consummation of the transactions contemplated by this Agreement as promptly as practicable, including furnishing affidavits, financial information, or other documents or information for filing with the Bankruptcy Court (including the Israeli Court) and making such employees and Advisors of Purchaser and its Affiliates available to testify before the Bankruptcy Court and the Israeli Court for the purposes of, among other things providing necessary assurances of performance by Purchaser under this Agreement, adequate assurance of future performance as required under section 365 of the Bankruptcy Code or as may be required by the Israeli Court according to section 75 of the Israeli Insolvency Law, for the Assigned Contracts, and demonstrating that Purchaser is a "good faith" purchaser under section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser's ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing and satisfying any conditions set by the Israeli Court for the assignment, including providing assurance for fulfillment of Assumed Liabilities under the Assigned Contracts (including providing adequate guarantee if such guarantee is required by the Israeli Court).

(e) Each of Sellers and Purchaser shall (i) appear formally or informally in the Bankruptcy Court or the Israeli Court if reasonably requested by the other Party or required by the Bankruptcy Court or the Israeli Court or to obtain authority to consummate the transactions contemplated by this Agreement and (ii) keep the other reasonably apprised of the status of material matters related to the transactions contemplated by this Agreement, including, upon reasonable request promptly furnishing the other with copies of notices or other communications received by Sellers from the Bankruptcy Court, the Israeli Court, or any third party or any Governmental Body with respect to the transactions contemplated by this Agreement.

(f) If an Auction is conducted and Purchaser is not the prevailing party at the conclusion of such Auction (such prevailing party, the "Successful Bidder") but is the second highest or otherwise best bidder at the Auction, Purchaser shall be required to serve as a back-up bidder (the "Backup Bidder") and keep Purchaser's bid to consummate the transactions

contemplated by this Agreement on the terms and conditions set forth in this Agreement (as the same may be revised in the Auction) open and irrevocable until this Agreement is otherwise terminated. If the Successful Bidder fails to consummate the applicable Alternative Transaction as a result of a breach or failure to perform on the part of such Successful Bidder, Purchaser, as the Backup Bidder, will be deemed to have the new prevailing bid, and Sellers shall consummate the transactions contemplated by this Agreement subject to the terms and conditions set forth in this Agreement (as the same may have been revised in the Auction).

(g) Sellers and Purchaser acknowledge that this Agreement and the sale of the Acquired Assets are subject to higher and better bids and Bankruptcy Court and Israeli Court approval. Sellers and Purchaser acknowledge that Sellers and their Affiliates must take reasonable steps to demonstrate that Sellers have sought to obtain the highest or otherwise best price for the Acquired Assets, including giving notice of the sale of the Acquired Assets to the creditors of Sellers and their Affiliates and other interested parties, providing information about the Company to prospective bidders, entertaining higher and better offers from such prospective bidders, and, in the event that additional qualified prospective bidders desire to bid for the Acquired Assets, conducting an Auction.

(h) Notwithstanding any other provision of this Agreement to the contrary, Purchaser acknowledges that, until such time as the Successful Bidder is selected in accordance with the Bidding Procedures, Sellers and their Affiliates and Advisors are and may continue soliciting inquiries, proposals or offers for the Acquired Assets in connection with any Alternative Transaction.

(i) Prior to such time as the Successful Bidder is selected in accordance with the Bidding Procedures, nothing in this Section 5.1 (but subject to Section 5.1(a)) shall prevent Sellers, in consultation with Purchaser, from modifying the Bidding Procedures as necessary or appropriate to maximize value for Sellers' estate in accordance with Sellers' fiduciary obligations and the Bidding Procedures Order.

(j) Within one (1) Business Day of Sellers filing a voluntary petition for relief under the Bankruptcy Code in the Bankruptcy Court, Sellers shall serve on all non-debtor counterparties to all of the Assigned Contracts (that are known as of such date) a notice specifically stating that Sellers are or may be seeking the assumption and assignment of such Contracts and shall notify such non-debtor counterparties of the deadline for objecting to the Cure Costs, if any, which deadline shall be not less than fourteen (14) days after entry of the Sale Order. Upon receipt of any notice from a non-debtor counterparty rejecting, challenging, or otherwise disputing any Cure Cost, Sellers shall immediately notify Purchaser and provide timely updates with respect to all negotiations with such counterparty related to the settlement of such contested Cure Cost.

5.2 Sale Order. The Sale Order and the Israeli Court Order, respectively, shall, among other things, (a) approve, pursuant to sections 105, 363, and 365 of the Bankruptcy Code and sections 302 (or 303) and 75 and section 72 of the Israeli Insolvency Law together with section 34A of the Israeli Sales Law, (i) the execution, delivery and performance by Sellers of this Agreement, (ii) the sale of the Acquired Assets to Purchaser on the terms set forth herein and free and clear of all Encumbrances (other than Encumbrances included in the Assumed Liabilities and Permitted Encumbrances), (iii) the assumption and assignment by Sellers pursuant to Section 365

of the Bankruptcy Code of the Assigned Contracts and the Acquired Leased Real Property, and (iv) the performance by Sellers of their obligations under this Agreement; (b) authorize and empower Sellers to assume and assign to Purchaser the Assigned Contracts; (c) find that Purchaser is a “good faith” buyer within the meaning of section 363(m) of the Bankruptcy Code and of section 75 (or section 72, if applicable) of the Israeli Insolvency Law and section 34A of the Israeli Sales Law, find that Purchaser is not a successor to Sellers, and grant Purchaser the protections of section 363(m) of the Bankruptcy Code; (d) find that Purchaser shall have no Liability or responsibility for any Liability or other obligation of Sellers arising under or related to the Acquired Assets and the Assigned Contracts other than as expressly set forth in this Agreement, including successor or vicarious Liabilities of any kind or character, including any theory of antitrust, environmental, successor, or transferee Liability, labor law, *de facto* merger, or substantial continuity; (e) find that Purchaser has provided adequate assurance (as that term is used in section 365 of the Bankruptcy Code or the requirements of section 75(b) and 72 of the Israeli Insolvency Law) of future performance in connection with the assumption of the Assigned Contracts; and (f) find that Purchaser shall have no Liability for any Excluded Liability.

5.3 Approval. Sellers’ obligations under this Agreement and in connection with the transactions contemplated hereby are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including the Bidding Procedures Order and the Sale Order) or the Israeli Court (including the Israeli Court Order). Nothing in this Agreement shall require Sellers or their Affiliates to give testimony to or submit a motion to the Bankruptcy Court or the Israeli Court that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court or the Israeli Court or its stakeholders.

ARTICLE VI

COVENANTS AND AGREEMENTS

6.1 Conduct of Business of Sellers.

(a) Except (i) as required by applicable Law, Order or a Governmental Body, (ii) due to any limitations on operations imposed by the Bankruptcy Court, the Israeli Court, the Bankruptcy Code, the Israeli Insolvency Law, or Sellers’ or their Affiliates’ debtor in possession financing or use of cash collateral, as the case may be, (iii) as expressly contemplated, required, or permitted by this Agreement, (iv) actions taken in good faith (with reasonable notice to Purchaser) in response to any COVID-19 Measure, or (v) as set forth in Schedule 6.1(a), during the period from the date of this Agreement until the Closing Date (or such earlier date on which this Agreement is terminated pursuant to Article VIII), unless Purchaser otherwise consents in writing (such consent not to be unreasonably withheld, delayed, or conditioned), the Company shall, and shall cause each of its Subsidiaries to, use its and their commercially reasonable efforts to carry on its business in the Ordinary Course, except as would not reasonably be expected to be material to the Business and the Acquired Assets, taken as a whole; provided that no action by the Company or any of its Subsidiaries with respect to matters specifically addressed by Section 6.1(b) shall be deemed to be a breach of this Section 6.1(a) unless such action would constitute a breach of Section 6.1(b).

(b) Except (v) as required by applicable Law, Order or a Governmental Body, (w) due to any limitations on operations imposed by the Bankruptcy Court, the Israeli Court, the Bankruptcy Code, the Israeli Insolvency Law, or Sellers' or their Affiliates' debtor in possession financing or use of cash collateral, as the case may be, (x) as expressly contemplated, required, or permitted by this Agreement, (y) actions taken in good faith (with reasonable notice to Purchaser) in response to any COVID-19 Measure, or (z) as set forth in Schedule 6.1(b), during the period from the date of this Agreement until the Closing (or such earlier date on which this Agreement is terminated pursuant to Article VIII), unless Purchaser otherwise consents in writing (such consent not to be unreasonably withheld, delayed, or conditioned), the Company shall not, and shall not permit any of its Subsidiaries to:

(i) (A) incur, assume, or otherwise become liable for any indebtedness for borrowed money, issue or sell any debt securities or warrants or other rights to acquire any debt securities of the Company or any of its Subsidiaries, guarantee any such indebtedness or any debt securities of another Person, or enter into any "keep well" or other agreement to maintain any financial statement condition of another Person (collectively, "Indebtedness");

(ii) sell or lease to any Person, in a single transaction or series of related transactions, any of its properties or assets, except Ordinary Course dispositions of inventory and dispositions of obsolete, surplus, or worn out assets or assets that are no longer used or useful in the conduct of the business of the Company or any of its Subsidiaries;

(iii) make capital expenditures, except for those (A) in connection with the repair or replacement of facilities, properties or assets destroyed or damaged due to casualty or accident (whether or not covered by insurance) or (B) otherwise in an aggregate amount for all such capital expenditures made pursuant to this clause (B) not to exceed \$100,000 in the aggregate;

(iv) except as permitted under Section 6.1(b)(iii) and except for acquisitions made with Purchaser's prior written consent, make any acquisition of, or investment in, any securities or business (including by merger), except in the Ordinary Course (which for the avoidance of doubt and without limitation of the foregoing shall be deemed to include any acquisition of inventory in the Ordinary Course and which shall be deemed to exclude any acquisition of capital stock or of a material portion of the assets of any other Person);

(v) except (A) as required by applicable Law or (B) as required pursuant to the terms of any Seller Plan in effect on the date of this Agreement or adopted, established, entered into or amended after the date of this Agreement not in violation of this Agreement, (1) grant to any employee or independent contractor any material increase in compensation, (2) grant to any current employee any material increase in severance, retention, or termination pay, (3) grant or amend any equity or other incentive awards, (4) hire, appoint, or promote any employee whose base salary exceeds \$100,000 per annum, hire or appoint any employee to a position at or above the vice president level, or promote any employee to a position at or above the director level, (5) establish, adopt, enter

into, amend, or terminate in any material respect any Seller Plan, or (6) take any action to accelerate any rights or benefits under any Seller Plan; provided, however, that the foregoing shall not restrict the Company or any of its Subsidiaries from entering into or making available to (x) newly hired employees hired in compliance with this Section 6.1(b)(v) or (y) employees as of the date hereof or hired after the date hereof in compliance with this Section 6.1(b)(v) in the context of promotions based on job performance or workplace requirements, in each case of clauses (x) and (y), in the Ordinary Course, plans, agreements, benefits and compensation arrangements (including incentive grants) that have a value that is consistent with the past practice of making compensation and benefits available to newly hired or promoted employees in similar positions;

(vi) make any changes in financial accounting methods, principles, or practices materially affecting the consolidated assets, Liabilities, or results of operations of the Company and its Subsidiaries, except insofar as may be required by (A) GAAP (or any interpretation thereof), (B) any applicable Law, or (C) any Governmental Body or quasi-governmental authority;

(vii) adopt a plan of liquidation, dissolution, merger, consolidation, or other reorganization;

(viii) grant any Encumbrance (other than Permitted Encumbrances) on any of its material assets other than (A) to secure Indebtedness and other obligations in existence at the date of this Agreement (and required to be so secured by their terms) or permitted under Section 6.1(b)(i) or (B) to the Company or to a wholly owned Subsidiary of the Company;

(ix) settle any pending or threatened Action against the Company or any of its Subsidiaries, unless such settlement involves payments of less than \$50,000 and involves no material injunctive relief;

(x) (A) terminate or amend any Assigned Contract or any Permit or (B) enter into any Contract that would be a Material Contract and would be breached by, or require the Consent of any third party in order to continue in full force following, consummation of the transactions contemplated hereby and such breach or the failure to obtain such amount would reasonably be expected to be material to the Business and the Acquired Assets, taken as a whole;

(xi) (A) delay or otherwise extend the time for payment of any Liabilities (including accounts payable) beyond their respective due dates or otherwise fail to pay such Liabilities on or prior to the date such Liabilities are due or (B) accelerate the collection of any debts (including accounts receivable) sooner than their respective due dates; or

(xii) authorize any of, or commit or agree, in writing or otherwise, to take any of, the foregoing actions.

(c) Nothing contained in this Agreement is intended to give Purchaser or its Affiliates, directly or indirectly, the right to control or direct the Company's or its Subsidiaries'

operations or business prior to the Closing. Prior to the Closing, each of Purchaser and the Company shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

6.2 Access to Information.

(a) From the date hereof until the Closing (or the earlier termination of this Agreement pursuant to Article VIII), the Company will provide Purchaser and its authorized Advisors with reasonable access and upon reasonable advance notice and during regular business hours to the books and records of the Company and its Subsidiaries, in order for Purchaser and its authorized Advisors to access such information regarding the Company and its Subsidiaries as is reasonably necessary in order to consummate the transactions contemplated by this Agreement; provided that (i) such access does not unreasonably interfere with the normal operations of the Company and its Subsidiaries, (ii) such access will occur in such a manner as the Company reasonably determines to be appropriate to protect the confidentiality of the transactions contemplated by this Agreement, (iii) all requests for access will be directed to Centerview Partners or such other Person(s) as the Company may designate in writing from time to time, and (iv) nothing herein will require the Company to provide access to, or to disclose any information to, Purchaser if such access or disclosure (A) would require the Company or any of its Subsidiaries to disclose any financial or proprietary information of or regarding the Affiliates of the Company (other than the Subsidiaries of the Company) or otherwise disclose information regarding the Affiliates of the Company (other than the Subsidiaries of the Company), (B) would waive any legal privilege, or (C) would be in violation of applicable Laws (including Competition Laws) or the provisions of any Contract to which the Company or any of its Subsidiaries is bound or would violate any fiduciary duty; provided that the Company and its Subsidiaries will use commercially reasonable efforts to provide a reasonable alternative means of accessing any such information in a manner that would not result in the waiver of any legal privilege or violation of applicable Laws, the provisions of any agreement or any fiduciary duty; provided further that no such access shall be required in connection with a proceeding between Purchaser or any of its Affiliates, on the one hand, and any Seller or any of its Affiliates, on the other hand.

(b) The information provided pursuant to this Section 6.2 will be used solely for the purpose of consummating the transactions contemplated hereby and will be governed by the terms and conditions of the Confidentiality Agreement, which Confidentiality Agreement shall not terminate upon the execution of this Agreement notwithstanding anything to the contrary therein. Purchaser will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to Purchaser or any of its Advisors. Sellers make no representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and Purchaser may not rely on the accuracy of any such information, in each case, other than the Express Representations.

(c) For a period of commencing on the Closing Date and ending on the later of (i) the date that is eighteen (18) months following the Closing Date and (ii) the closing of the Bankruptcy Case, Purchaser will provide Seller and its Affiliates and its and their Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda, Tax Returns, Tax schedules, Tax rulings, and other documents (for the purpose of examining and copying) relating to the Acquired

Assets, the Excluded Assets, the Assumed Liabilities, or the Excluded Liabilities with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices, and properties of Purchaser (including for the purpose of better understanding the books and records). Unless otherwise consented to in writing by Seller, Purchaser will not, for a period of three (3) years following the Closing Date, destroy, alter or otherwise dispose of any of the books and records of the Company and its Subsidiaries without first offering to surrender to Seller such books and records or any portion thereof that Purchaser may intend to destroy, alter, or dispose of. From and after the Closing, Purchaser will, and will cause its employees to, provide Seller and its Affiliates with reasonable assistance, support, and cooperation with their wind-down and related activities (*e.g.*, helping to locate documents or information related to preparation of Tax Returns or prosecution or processing of insurance/benefit claims).

(d) Purchaser will not, and will not permit any member of the Purchaser Group to, contact any officer, manager, director, employee, customer, supplier, lessee, lessor, lender, licensee, licensor, distributor, noteholder, or other material business relation of the Company or its Subsidiaries prior to the Closing with respect to the Company, its Subsidiaries, their business, or the transactions contemplated by this Agreement without the prior written consent of the Company, which will not be unreasonably withheld or delayed, and the Company will cooperate reasonably in coordinating such contacts as may reasonably be necessary in connection with Purchaser's preparations for Closing; provided, however, that the foregoing shall in no way restrict or prohibit (i) contacts between any member of the Purchaser Group and any third Persons in the ordinary course of Purchaser's business so long as such contacts do not specifically relate to the Company, its Subsidiaries or the transactions contemplated by this Agreement or (ii) any member of the Purchaser Group from responding to inbound inquiries from third Persons that are not solicited by the Purchaser Group.

(e) For a period of commencing on the Closing Date and ending on the earlier of (i) the date that is eighteen (18) months following the Closing Date and (ii) the closing of the Bankruptcy Case, Sellers will provide Purchaser and its Affiliates and its and their Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda, Tax Returns, Tax schedules, Tax rulings, and other documents (for the purpose of examining and copying) relating to the Acquired Assets, or the Assumed Liabilities with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices, and properties of Sellers (including for the purpose of better understanding the books and records). Unless otherwise consented to in writing by Purchaser, Sellers will not, during such period, destroy, alter or otherwise dispose of any of the books and records of Sellers without first offering to surrender to Purchaser such books and records or any portion thereof that Sellers may intend to destroy, alter, or dispose of.

6.3 Employee Matters.

(a) Each individual who (i) is employed by Sellers as of immediately prior to the Closing and becomes an employee of Purchaser or one of its Affiliates at or following the Closing pursuant to Sections 6.3(g) or 6.3(h) or (ii) is an independent contractor engaged by Sellers as of immediately prior to the Closing (each, a "Seller Independent Contractor") and becomes an

employee of Purchaser or one of its Affiliates as of immediately following the Closing (or at such later time as mutually agreed prior to the Closing by and between such independent contractor and Purchaser or its applicable Affiliate) pursuant to an offer of employment or otherwise, and, in each case, is terminated by Sellers as of immediately prior to the Closing (or at such later time as mutually agreed by Purchaser and the applicable Seller) shall, in each case, be referred to herein as a “Transferred Employee.”

(b) For a period of one year from and after the Closing Date (or until the earlier termination of employment of a Transferred Employee), Purchaser shall provide each Transferred Employee, or cause each Transferred Employee to be provided, with: (i) a base salary or wage rate, as applicable, and cash bonus (other than token or token based incentives, commissions or retention bonus) opportunities that are substantially comparable in the aggregate to those provided to such Transferred Employee as of immediately prior to the date hereof; and (ii) specific health and welfare benefits that are substantially comparable in the aggregate than those provided by Sellers to such Transferred Employees as of immediately prior to the Closing. For purposes of eligibility, vesting and determining level of statutory benefits under the benefit plans and programs that will be maintained for the benefit of the Transferred Employees by Purchaser or any of its Affiliates after the Closing Date (the “Purchaser Plans”), subject to applicable Law, each Israeli Transferred Employee shall be credited with his or her years of service with Sellers and their Affiliates (and any predecessor thereof) before the Closing Date under those Purchaser Plans that according to the law the entitlements are based on the length of employment period, except to the extent such credit would result in a duplication of benefits. Purchaser’s and its Affiliates’ compliance with this Section 6.3(b) is subject to Sellers’ making available to Purchaser sufficiently in advance of Closing such information as may be reasonably necessary to assess or confirm Purchaser’s compliance with such terms.

(c) Without limiting the generality of any other provision of this Agreement: subject to applicable Law and the terms and conditions of any Purchaser Plan: (i) each Transferred Employee shall be immediately eligible to participate, without any waiting time, in any and all Purchaser Plans; (ii) for purposes of each Purchaser Plan providing health or welfare benefits, Purchaser shall use commercially reasonable efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such Purchaser Plan to be waived for such Transferred Employee who are not working in Israel or according to the Israeli law and his or her covered dependents (unless such exclusions or requirements were applicable under comparable Seller Plans); and (iii) in relation to any Transferred Employees who are not Israeli Transferred Employees, Purchaser shall cause any co-payments, deductible and other eligible expenses incurred by such Transferred Employee or his or her covered dependents during the plan year in which the Closing Date occurs to be credited for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Transferred Employee and his or her covered dependents for the applicable plan year of each comparable Purchaser Plan.

(d) Sellers shall honor and be solely responsible for paying, providing, discharging and satisfying when due any and all Liabilities of Sellers arising on or prior to Closing to or in respect of any employees, consultants or individual independent contractors employed or engaged by Sellers or former employees, consultants or individual independent contractors of Sellers in respect of their employment or engagement with Sellers prior to Closing, including (i) any Liability under any employee plan or agreement (including with respect to token or token

(e) The provisions of this Section 6.3 are for the sole benefit of the Parties to this Agreement and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Sellers or Transferred Employees), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.3 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.3, alter or limit Purchaser's or Sellers' ability to amend, modify or terminate any particular benefit plan, program, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to employment or continued employment for any period of time by reason of this Agreement, or any right to a particular term or condition of employment.

(f) Effective as of the Closing, the Company hereby waives any claims against the Transferred Employees for disclosures to Purchaser or after the Closing Date of proprietary or confidential information related to the Acquired Assets. Effective as of the Closing, the Company hereby agrees that the conduct of Purchaser business following the Closing will not be considered a breach of any nondisclosure or noncompetition agreements by and between Company and each of the Transferred Employees.

(g) Promptly following the date hereof, the Company shall summon each employee employed by the Company who is located in Israel (or is the one employee working remotely from outside of Israel) (an "Israeli Employee") to a hearing in accordance with Israeli law and notify such Israeli Employee of the sale of the assets of the Company to Purchaser and the expected rehire of the Israeli Employees by Purchaser or one of its Affiliates, as of immediately

after the Closing (or later as (1) may be agreed by Purchaser and Sellers or (2) required under applicable Law), subject to the termination of the employment of each such Israeli Employee as of and subject to the occurrence of the Closing and their execution of a customary employment agreement with the Purchaser or its applicable Affiliate on terms consistent with the provisions of this Section 6.3. A representative of the Purchaser shall participate in the hearing and shall present to each Israeli Employee a detailed offer of employment by the Purchaser or its applicable Affiliate. The Israeli Employees will be given four (4) days to decide whether to be employed with the Purchaser or its applicable Affiliate. With respect to Israeli Employees who choose to be employed by Purchaser or its applicable Affiliate ("Israeli Transferred Employees"), the date on which the relevant Israeli Transferred Employee accepted the Purchaser's or its applicable Affiliate's offer shall be deemed as the date on which, for all intents and purposes, prior written notice for the purposes of Prior Notice for Dismissal and Resignation Law – 2001 was given by the Company (subject to Closing), and the notice period applicable to each Israeli Transferred Employee shall be the period specified in each such Israeli Transferred Employee's employment agreement and not less than as required by the applicable Law and shall be paid solely by the Company, as well as all termination payments and rights that shall be paid solely by the Company, including all their accrued and unused vacation. (h) Any employee of Sellers who does not become a Transferred Employee is hereinafter referred to herein as an "Excluded Employee" up until such time, if any, as such employee becomes a Transferred Employee. Excluded Employees will not be, and shall not be construed to be, employees or consultants of Purchaser or any of its Affiliates at any time before or after Closing, and the applicable Seller shall remain and be in the future liable to and shall make or facilitate all such payments, transfers and fully fund all amounts that are or may become payable to, or in respect of, Excluded Employees in relation to their employment or termination of such employment by Sellers. Notwithstanding the foregoing, any employee who is engaged by any Seller, who does not become an Israeli Transferred Employee at Closing because his/her employment under applicable Law cannot be terminated by such Seller following reasonable efforts (including submission for a permit) (such limitation, a "Termination Limitation") (provided that such employee was given an offer of employment with Purchaser as of Closing (or upon expiration of the Limitation Period, as applicable) in accordance with Section 6.3(b) and 6.3(c)), and who would become a Transferred Employee but for such Termination Limitation, shall remain an employee of the applicable Seller until such Termination Limitation is eliminated (the "Limitation Period"), and: (i) during the Limitation Period shall continue to be employed or engaged by such Seller, and shall be allocated by such Seller for provision of services to Purchaser; provided that the Purchaser shall bear all costs associated with the employment or engagement of such employee during such Limitation Period only, and (ii) immediately following the end of the Limitation Period and provided that such individual meets the terms of becoming a Transferred Employee hereunder, such employee will become a Transferred Employee and the termination of his or her or its employment with such Seller and his or her or its employment by the Purchaser shall be adjusted respectively; provided that the Limitation Period shall not exceed three (3) months following the Closing or any longer period required by applicable Law.

(i) Sellers shall comply with all applicable Laws and Contract, in connection with the termination of the Company's employees' employment and of the Seller Independent Contractors' engagement prior to the Closing, Sellers shall be responsible for the Transferred Employees' employment or engagement until the Closing Date, and Purchaser shall not assume any of the Seller Plans or any obligation or Liability thereunder. Each Seller shall take all actions possible at such time to ensure satisfaction of its employment and engagement and benefits obligations to such employees and Seller Independent Contractors' and to satisfy all of its employment, engagement and benefits obligations to such employees and Seller Independent Contractors as of and until the Closing Date, including funding of all pension, benefit, severance and other accounts.

(j) As part of the termination of the Israeli Transferred Employees, the Company shall release to the Israeli Transferred Employees all of their rights in all severance funds or insurance policies, pension fund, disability fund and education fund that are fully funded and reflect the entire entitlement of the Israeli Transferred Employees to severance pay and pension arrangement through their entire engagement with the Company and the Company shall pay any additional severance related thereto.

other Party and its Advisors in connection with any step required to be taken as a part of its obligations hereunder. The “reasonable best efforts” of Sellers will not require Sellers or any of their Subsidiaries, Affiliates, or Advisors to expend any money to remedy any breach of any representation or warranty, commence any Action, to waive or surrender any right, modify any Contract, or waive or forego any right, remedy, or condition hereunder.

(b) The obligations of Sellers pursuant to this Agreement, including this Section 6.5, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court, the Israeli Court, the Bankruptcy Code (including in connection with the Bankruptcy Case), the Israeli Insolvency Law, Sellers’ or their Affiliates’ debtor-in-possession financing, if any, Sellers’ obligations as a debtor-in-possession to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order and the Sale Order) or the Israeli Court (including the Israeli Court Order), and Sellers’ and their Affiliates’ duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

(b) Purchaser will promptly notify Seller of: (i) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement; (ii) any notice or other communication from any Governmental Body related to or in connection with the transactions contemplated by this Agreement; (iii) any Actions relating to or involving or otherwise affecting Purchaser or its Affiliates that, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to Section 4.7 or that relate to the transactions contemplated by this Agreement; and (iv) any breach or inaccuracy of any representation or warranty contained in this Agreement that would reasonably be expected to cause the conditions set forth in Article VII not to be satisfied; provided that the delivery of any notice pursuant to this Section 6.6(a) will not limit the remedies available to Seller under or with respect to this Agreement.

6.7 Further Assurances. From time to time, as and when requested by any Party and at such requesting Party’s expense, any other Party will execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the transactions contemplated by this Agreement.

Purchaser acknowledges that, upon Closing, all nontransferable insurance coverage provided in relation to Sellers and the Acquired Assets that is maintained by any Sellers or its Affiliates (whether such policies are maintained with third party insurers or with Sellers or such Affiliates) shall cease to provide any coverage to Purchaser or the Acquired Assets and no further coverage shall be available to Purchaser or the Acquired Assets under any such policies.

6.9 Receipt of Misdirected Assets. From and after the Closing, if any Seller or any of their respective Affiliates receives any right, property, or asset that is an Acquired Asset, such Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property, or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks, or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by such Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives any right, property, or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property, or asset that is received in the form of cash, checks, or other documents) to such Seller, and such asset will be deemed the property of such Seller held in trust by Purchaser for such Seller until so transferred.

6.10 Acknowledgment by Purchaser.

(a) Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that Purchaser and the Purchaser Group have relied solely on the results of the Purchaser Group's own independent investigation and verification and have not relied on, are not relying on, and will not rely on, Seller, any Affiliate of Seller, any information, statements, disclosures, documents, projections, forecasts, or other material made available to Purchaser or any of its Affiliates or Advisors in the Dataroom, the Information Presentation, or the Projections or any information, statements, disclosures, or materials, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations (it being understood that Purchaser and the Purchaser Group have relied only on the Express Representations). Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that (i) the Express Representations are the sole and exclusive representations, warranties, and statements of any kind made to Purchaser or any member of the Purchaser Group and on which Purchaser or any member of the Purchaser Group may rely in connection with the transactions contemplated by this Agreement; and (ii) all other representations, warranties, and statements of any kind or nature expressed or implied, whether in written, electronic, or oral form, are, in each case, specifically disclaimed by Sellers, on its behalf and on behalf of the Seller Parties. Purchaser, on its own behalf and on behalf of the Purchaser Group: (x) disclaims reliance on the items in clause (ii) in the immediately preceding sentence and (y) acknowledges and agrees that it has relied on, is relying on and will rely on only the Express Representations. Without limiting the generality of the foregoing, Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that neither Seller, the Company, nor any other Person (including the Seller Parties), has made, is making, or is authorized to make, and Purchaser, on its own behalf and on behalf of the Purchaser Group, hereby waive, all rights and claims it or they may have against any Seller Party with respect to the accuracy of, any omission or concealment of, or any misstatement with respect to, (A) any potentially material information regarding the Company, its

Subsidiaries, or any of their respective assets (including the Acquired Assets), Liabilities (including the Assumed Liabilities), or operations and (B) any warranty or representation (whether in written, electronic, or oral form), express or implied, as to the quality, merchantability, fitness for a particular purpose, or condition of the Company's or its Subsidiaries' business, operations, assets, Liabilities, Contracts, environmental compliance, employee matters, regulatory compliance, business risks, and prospects or any portion thereof, except, in each case, solely to the extent expressly set forth in the Express Representations.

(b) Without limiting the generality of the foregoing, in connection with the investigation by the Purchaser Group of the Company and its Subsidiaries, Purchaser and the members of the Purchaser Group, and the Advisors of each of the foregoing, have received or may receive, from or on behalf of Sellers, certain projections, forward-looking statements, and other forecasts (whether in written, electronic, or oral form, and including in the Information Presentation, Dataroom, management meetings, etc.) (collectively, "Projections"). Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that (i) such Projections are being provided solely for the convenience of Purchaser to facilitate its own independent investigation of the Company and its Subsidiaries, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Purchaser is familiar with such uncertainties, and (iv) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections).

(c) Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that it will not assert, institute, or maintain, and will cause each member of the Purchaser Group not to assert, institute or maintain, any Action that makes any claim contrary to the agreements and covenants set forth in this Section 6.10.

(d) Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that the covenants and agreements contained in this Section 6.10 are an integral part of the transactions contemplated by this Agreement and that, without these agreements set forth in this Section 6.10, Seller would not enter into this Agreement.

(e) Notwithstanding anything in this Agreement to the contrary, nothing herein shall relieve any Person from any Liability for Fraud.

6.11 Certain Consents. Purchaser acknowledges and agrees, on its behalf and on behalf of the Purchaser Group, that Sellers will have no Liability whatsoever to Purchaser to the extent arising out of or relating to the failure in and of itself to obtain any Consents that may have been or may be required in connection with the transactions contemplated by this Agreement or because of the default, acceleration, or termination of or loss of right under any Contract as a result thereof. Sellers acknowledge and agree that Purchaser and its Affiliates will have no Liability whatsoever to Sellers to the extent arising out of or relating to the failure in and of itself to obtain any Consents that may have been or may be required in connection with the transactions contemplated by this Agreement or because of the default, acceleration, or termination of or loss of right under any such Contract as a result thereof.

6.12 Interim Financial Statements. From the date hereof until the Closing Date, the Company shall deliver to Purchaser, following (and using commercially reasonable efforts to

deliver within 21 days following) the end of any month, month internal reporting financial reports for the prior month consistent with past practice.

6.13 Confidentiality.

(a) All Confidential Information of a Party shall remain the sole property of the disclosing Party (or other third party), and the receiving Party shall have no interest in, or rights with respect thereto, except as set forth herein. For avoidance of doubt, any Confidential Information of Sellers relating to the Acquired Assets, the Assigned Contracts, the Assumed Liabilities or the Business (other than information which may not be transferred or disclosed pursuant to contract or applicable Law or otherwise constitutes Excluded Assets) shall be deemed to be Confidential Information of Purchaser as of and following the Closing, notwithstanding the fact that Sellers or any of its officers, directors, employees or representatives have knowledge of such Confidential Information obtained prior to the negotiation and performance of this Agreement.

(b) To the extent that any Seller receives Confidential Information of Purchaser in the course of negotiation of and performance of this Agreement, Seller agrees to treat such Confidential Information as confidential with the same degree of care and security as it treats its Confidential Information and, in any event, no less degree of care and security than a reasonably prudent business person would utilize to protect from disclosure and keep confidential its Confidential Information. Sellers may disclose such Confidential Information only to those Advisors who require such knowledge in connection with Sellers' performance, enforcement, or defense of (or exercise of rights under) this Agreement, the consummation of the transactions contemplated hereby, and the closing of the Bankruptcy Case and the wind-down and related activities of Sellers and their Affiliates. Sellers shall be liable for the acts of such Advisors acting on their behalf in breach of this Section 6.12. Except as otherwise contemplated by this Agreement or as requested or required by applicable Law or Governmental Body, Sellers shall not disclose the Confidential Information of Purchaser or Sellers, respectively, to any third party without the prior written consent of Purchaser, and the duty of confidentiality created by this Section 6.13(b) shall (i) survive any termination of the Agreement for a period of one (1) year and (ii) in the case of Sellers, with respect to Purchaser's Confidential Information, survive the Closing for a period of five (5) years (or such shorter period as Sellers or the last remaining Affiliate thereof remains in existence). Nothing in this Section 6.13(b) shall limit or be deemed to limit the terms and conditions of the Confidentiality Agreement.

(c) As used herein, "Confidential Information" means all confidential, proprietary, or non-public information or data relating to any Party hereto and its Affiliates, operations, employees, products or services, clients, customers or potential customers, including any such confidential, proprietary, or non-public information or data that comprises: (i) internal business information (including historical and projected financial information and budgets and information relating to strategic and staffing plans and practices, business, training, marketing, promotional and sales plans and practices, cost, rate and pricing structures and accounting and business methods); (ii) identities of, individual requirements of, specific contractual arrangements with, and information about, suppliers, distributors, customers, independent contractors or other business relations and their confidential information; (iii) trade secrets, know-how, compilations of data and analyses, techniques, systems, formulae, recipes, research, records, reports, manuals,

documentation, models, data and data bases relating thereto; and (iv) inventions, innovations, improvements, developments, methods, designs, analyses, drawings, reports and all similar or related information (whether or not patentable). Further, information shall not be considered to be “Confidential Information” to the extent that such information: (A) is already lawfully known to or in the possession of the receiving Party or its Advisors prior to being disclosed to the receiving Party by the disclosing Party, as evidenced by reasonable documentary proof, so long as the such source of such information was not reasonably known by the receiving Party or such Advisor at the time it was obtained to be bound by a confidentiality agreement with, or other known contractual or legal obligation of confidentiality to, the disclosing Party; (B) subsequent to the Closing Date becomes available to the receiving Party or its Advisors from a source not reasonably known by the receiving Party or such Advisor at the time it was obtained to be bound by a confidentiality agreement with, or other known contractual or legal obligation of confidentiality to, the disclosing Party; (C) is, was, or becomes publicly available through no breach of this Agreement by the receiving Party; (D) was or is independently developed by the receiving Party or its Advisors without reference or access to any Confidential Information of the disclosing Party; or (E) is required to be disclosed by Law or Governmental Body.

6.14 Guaranty.

(a) Guarantor hereby irrevocably, absolutely and unconditionally guarantees to Sellers (i) the due and punctual performance, when and as due, of all obligations, covenants and agreements of Purchaser arising under or pursuant to this Agreement; (ii) the accuracy of Purchaser’s representations and warranties set forth herein; and (iii) the punctual payment of all sums, if any, now or hereafter owed by Purchaser under and in accordance with the terms of this Agreement, including the payment obligations of the Purchaser pursuant to Sections 2.1 ((i), (ii), and (iii), collectively, “Guaranteed Obligations”).

(b) If the Purchaser fails to perform any of the Guaranteed Obligations, then the Guarantor shall itself be jointly and severally liable for the Guaranteed Obligations and shall perform or take whatever steps as may be necessary to procure performance of the same.

(c) Notwithstanding any other provision of this Section 6.14, nothing herein shall be construed as imposing greater obligations or Liabilities on Guarantor than for which the Purchaser itself would be liable under this Agreement or obliging Guarantor to indemnify and hold harmless Sellers against any losses, costs, or expenses for which the Purchaser itself would not be liable under this Agreement, except as set forth in this Section 6.14, including Section 6.14(f) and 6.14(h).

(d) The obligations of Sellers under this Agreement shall conclusively be deemed to have been created, contracted, or incurred in reliance upon this Section 6.14 and all dealings between Sellers and the Purchaser shall likewise be conclusively presumed to have been consummated in reliance upon this Section 6.14.

(e) Guarantor’s obligations hereunder shall not be affected by any facts or circumstances that might constitute a legal or equitable bar, discharge or defense to any Guaranteed Obligations available to Guarantor but not available to the Purchaser, and Guarantor hereby expressly waives and renounces any and all such bars, discharges and defenses.

(f) The guarantee by Guarantor contained herein shall remain in full force and effect and shall continue to be enforceable by Sellers until the performance by the Purchaser of all of the Guaranteed Obligations and that upon completion of all of the Guaranteed Obligations, this guarantee shall terminate automatically and Guarantor shall stand discharged of all of its obligations under this guarantee. Guarantor's obligations under this Section 6.14 shall not be terminated, modified, affected or impaired by reason of any relief or discharge of the Purchaser from any of the Purchaser's respective obligations in bankruptcy or similar proceedings, or by liquidation or dissolution.

(g) The liability of the undersigned under this Section 6.14 shall be unconditional, and this Section 6.14 shall be a continuing guaranty.

(h) Guarantor hereby makes the representations and warranties set forth in Article IV as to itself, and such representations and warranties shall apply *mutatis mutandis* as if such party were substituted for Purchaser therein.

6.15 Israeli Innovation Authority.

(a) Promptly following the date hereof, and in any event no later than four (4) Business Days after the date hereof, Sellers shall file an application for the receipt of IIA Approval as attached hereto as Exhibit F (the "IIA Application") in order to obtain the IIA Approval. If and to the extent required in order to reduce the IIA Redemption Payment, the IIA Application shall include an undertaking by the Purchaser to maintain for a period of at least three years from Closing, 75% of the Company's R&D positions and activity (as such terms are defined in the R&D Law) in Israel (the "IIA Undertaking") and, if required by the IIA, any security required by the IIA in connection with such IIA Undertaking. Without derogating from the generality of the foregoing, Purchaser and Seller will cooperate using reasonable commercial efforts to:

(ii) supply the IIA as soon as reasonably practicable with any information that may be reasonably required or requested by the IIA, including supplying any information and assistance that may be reasonably requested in connection with the making of such filings and determination of the IIA Redemption Payment;

(iii) allow the other party to review in advance and, to the extent practicable, consult with one another on and consider in good faith the views of the other with respect to any written communication or submission to the IIA relating to the transactions contemplated hereby;

(iv) agree not to participate in any meeting or discussion with the IIA regarding the transactions contemplated hereby unless, to the extent practicable, it consults with the other party in advance, and to the extent not prohibited by applicable Law and permitted by the IIA, gives the other party, including its outside counsel, reasonable notice

and an opportunity to attend and participate in any such meetings or discussions with the IIA; and

(v) transfer the IIA Redemption Payment to the IIA.

(b) Notwithstanding anything to the contrary herein, other than Purchaser's obligation to transfer the IIA Redemption Payment to the IIA hereunder, any and all Liabilities imposed by the Israeli Encouragement of Research, Development and Technological Innovation in Industry Law, 5744-1984, and the regulations and rules promulgated, promulgated thereunder, as well as Annex B to Benefit Program 1 of the IIA titled "Instructions Regarding Transfer of Know-How" (the "R&D Law") in relation to any projects funded by the Israel Innovation Authority (the "IIA") (but only to the extent arising on or before the Closing) and transferred hereunder as part of the Acquired Assets, including such that arise from the transfer thereof, shall be the sole responsibility of Sellers and all such Liabilities shall be deemed Excluded Liabilities hereunder; provided that in the event that the IIA Redemption Payment is determined by any applicable Governmental Body to be in excess of the amount included in the Closing Date Payment (including any Liabilities arising from or relating to Purchaser's non-compliance with or breach of the IIA Undertaking, including any amount required to be paid to the IIA pursuant to the R&D Law (in excess of the IIA Redemption Payment amount included in the definition of "Cash Payment") in connection with the transactions contemplated hereby), Purchaser shall be solely responsible for and shall indemnify and hold harmless Sellers from such Liabilities.

Promptly following the date hereof, and in any event no later than four (4) Business Days after the date hereof, Sellers shall file an application for the assignment and transfer of Sellers' right, title, and interest in and to the technology and know-how covered by the Encryption License to Purchaser hereunder. If and to the extent any information is required or requested by the IMOD for the IMOD Approval of such application Purchaser shall provide IMOD all required information pertaining to the Purchaser in support of such application.

6.17 280G Matters. Unless the parties agree that it is not necessary under Section 280G of the Code and the Treasury Regulations promulgated thereunder (which such agreement shall not be unreasonably withheld), prior to the Closing, the Company shall use commercially reasonable efforts to obtain, prior to the initiation of the stockholder approval procedure described below in this Section 6.17, from each Person to whom any payment or benefit will or could be made that could constitute "parachute payments" under Section 280G(b)(2) of the Code and Treasury Regulations promulgated thereunder, a written agreement waiving such Person's right to receive some or all of such payment or benefit (the "Waived Benefits"), to the extent necessary so that all remaining payments and benefits applicable to such Person shall not be deemed a parachute payment subject to the deduction restrictions imposed by Section 280G of the Code, and accepting in substitution for the Waived Benefits the right to receive the Waived Benefits only if approved by the requisite stockholders in a manner that complies with Section 280G(b)(5)(B) of the Code and the Treasury Regulations issued thereunder. To the extent applicable, prior to the Closing, the Company shall seek to obtain the approval by such the requisite stockholders in a manner that complies with the terms of Section 280G(b)(5)(B) of the Code and the Treasury Regulations thereunder, including Q-7 of Section 1.280G-1 of such Treasury Regulations, of the right of each Person described in this Section 6.17 who has executed the waiver described therein to receive or retain, as applicable, such Person's Waived Benefits. The Company shall provide Purchaser for its

review and comment advance copies of all documents (including the requisite calculations) and communications by which it intends to seek the waiver and approvals described in this Section 6.17, shall incorporate any reasonable comments by Purchaser with respect thereto, and shall promptly provide Purchaser with copies of any executed waivers and evidence of the stockholder approval contemplated by this Section 6.17. Notwithstanding the foregoing, to the extent that any contract, agreement, or plan is to be entered into by Purchaser and a disqualified individual in connection with the transactions contemplated by this Agreement before or effective as of the Closing Date, Purchaser shall provide a copy of such contract, agreement or plan to the Company and Sellers at least seven (7) days before the Closing Date (or, if not then known, as soon as practicable thereafter) and shall cooperate with the Company in good faith in order to calculate or determine the value (for the purposes of Section 280G of the Code) of any payments or benefits granted or contemplated therein, which may be paid or granted in connection with the transactions contemplated by this Agreement that could constitute a “parachute payment” under Section 280G of the Code.

6.18 Transfer of Utilities. Seller and Purchaser will cooperate to transfer utility services, including telephone, electric and gas services providing such services to any of the Acquired Assets as of the Closing Date, including notifying all utility companies serving the real estate covered by the Company’s lease of the change in occupant, and request that meters be read and service transferred over to Purchaser.

6.19 Intellectual Property Registration Title Updates. Prior to the Closing Date, at the Company’s expense, the Company shall, and shall cause all of its Subsidiaries, as applicable, to make filings with the United States Patent and Trademark Office and the applicable registries and recording Governmental Bodies in Israel to ensure that the chain of title of each Intellectual Property Registration in such jurisdiction reflects the change from the Company’s prior name (Puzzle Cybersecurity Ltd.) to its current name.

6.20 No Solicitation.

(a) From and after the entry of the Sale Order, Sellers agree that they will not, and Sellers will not permit their respective Representatives to, take, directly or indirectly, any of the following actions with any party other than Purchaser and its designees: (i) solicit, facilitate or knowingly encourage the submission of any inquiries, indications of interest, proposals or offers involving any corporation, partnership, Person, entity or group, other than Purchaser and its Representatives (each, a “Third Party”), concerning any Alternative Transaction; (ii) participate in any discussions or negotiations regarding, or enter into any agreement or understanding relating to, an Alternative Transaction with, or provide any non-public information concerning an Alternative Transaction to, any Third Party; or (iii) otherwise knowingly cooperate in any way with any effort by any Third Party to do or seek any of the foregoing. After this Agreement is executed by each of Purchaser, Sellers and CE Seller, Company shall, and shall cause its Representatives to, terminate any existing discussions or negotiations with any Third Party with respect to an Alternative Transaction. From and after the entry of the Sale Order, upon its receipt of any inquiries, indications of interest, proposals or offers with respect to an Alternative Transaction, Sellers shall within two (2) Business Days provide Purchaser with a copy (to the extent written) or an oral summary (to the extent not written) of any such inquiries, indications of

interest, proposals or offers received, which shall include the identity of the parties making the proposal and the material terms thereof.

(b) Notwithstanding the foregoing, at any time prior to the Closing, the Board of Directors of the Company, directly or indirectly through Advisors, agents or other intermediaries, may, subject to compliance with the last sentence of Section 6.20(a), (i) engage in negotiations or discussions with any Third Party that, subject to Sellers' compliance with Section 6.20(a), has made after the date of this Agreement an unsolicited proposal for an Alternative Transaction that the Board of Directors of the Company believes in good faith (after consultation with its financial advisor and outside legal counsel) constitutes a higher and better bid as compared to the consideration contemplated by this Agreement (after taking into account amounts that may be payable to Purchaser pursuant to Section 8.2(b)), (ii) thereafter furnish to such Third Party nonpublic information relating to Sellers pursuant to a customary confidentiality agreement; provided that all such information (to the extent that such information has not been previously provided or made available to Purchaser) is provided or made available to Purchaser, as the case may be, prior to or substantially concurrently with the time it is provided or made available to such Third Party, and (iii) terminate this Agreement under Section 8.1(i), but in each case referred to in the foregoing clauses (i) through (iii), only if the Board of Directors of the Company determines in good faith, after consultation with its financial advisor and outside legal counsel, that failure to take such action could reasonably be expected to be inconsistent with its fiduciary duties under applicable Law.

ARTICLE VII

CONDITIONS TO CLOSING

7.1 Conditions Precedent to the Obligations of Purchaser and Sellers. The respective obligations of each Party to this Agreement to consummate the transactions contemplated by this Agreement are subject to the satisfaction (or to the extent permitted by Law, written waiver by each of Seller and Purchaser) on or prior to the Closing Date, of each of the following conditions:

- (a) the IIA Approval shall have been received;
- (b) no court or other Governmental Body shall have issued, enacted, entered, promulgated, or enforced any Law or Order (that is final and non-appealable and that has not been vacated, withdrawn, or overturned) restraining, enjoining, or otherwise prohibiting the transactions contemplated by this Agreement; and
- (c) the Israeli Court shall have entered the Israeli Court Order, which shall be in full force and effect and shall not be subject to a stay pending appeal as of the Closing Date;
- (d) the Bankruptcy Court shall have entered the Sale Order, which shall be in full force and effect and shall not be subject to a stay pending appeal as of the Closing Date.

7.2 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the transactions contemplated by this Agreement are subject to the satisfaction (or to the extent permitted by Law, written waiver by Purchaser in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) (i) the representations and warranties made by Sellers in Sections 3.1, 3.2, 3.3, 3.11 and 3.16 that are qualified by “materiality” or “Material Adverse Effect” shall be true and correct in all respects as of the date hereof and as of the Closing Date, with the same force and effect as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct only as of such date), (ii) the representations and warranties made by Sellers in Sections 3.1, 3.2, 3.3, 3.11 and 3.16 that are not qualified by “materiality” or “Material Adverse Effect” shall be true and correct in all material respects as of the date hereof and as of the Closing Date, with the same force and effect as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct in all material respects only as of such date), and (iii) the representations and warranties made by Sellers in Article III (other than those in Sections 3.1, 3.2, 3.3, 3.11 and 3.16) shall be true and correct, as of the date hereof and as of the Closing Date, with the same force and effect as though such representations and warranties had been made on and as of the Closing Date (except that representations and warranties that are made as of a specified date need be true and correct only as of such date), except where the failure of such representations and warranties described in this clause (iii) to be true and correct has not had a Material Adverse Effect, it being understood that, for purposes of determining the accuracy of such representations and warranties described in this clause (iii), all “materiality” and “Material Adverse Effect” qualifications or exceptions or any similar qualifications or exceptions in such representations and warranties will be disregarded;

(b) Sellers shall have performed or caused to be performed, in all material respects, all of the obligations and covenants required by this Agreement to be performed by them prior to Closing;

(c) no Material Adverse Effect shall have occurred;

(d) Sellers shall have delivered, or caused to be delivered, all third party notices and obtained all third party consents as listed on Schedule 7.2(d), except to the extent any such consent or notice is not required to be obtained under the Sale Order or Israeli Court Order, as applicable;

(e) each Non-Competition Agreement and Identified Employee Agreement shall have been duly executed and delivered and be in full force and effect and will not have been revoked, rescinded or otherwise repudiated;

(f) at least two out of the three Named Employees (i) will have accepted and not revoked, rescinded or otherwise repudiated Purchaser’s offer of employment, and (ii) will not have terminated his or her employment or engagement with the Company or, to the Knowledge of Sellers, expressed an intention to terminate his or her employment with the Purchaser or any of their Subsidiaries, as applicable, following the Closing; and

(g) Sellers shall have delivered, or caused to be delivered, to Purchaser all of the items set forth in Section 2.5.

7.3 Conditions Precedent to the Obligations of Sellers. The obligations of Sellers to consummate the transactions contemplated by this Agreement are subject to the satisfaction (or to the extent permitted by Law, written waiver by Sellers in their sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) the representations and warranties made by Purchaser in Article IV shall be true and correct, as of the date hereof and as of the Closing Date, with the same force and effect as though all such representations and warranties had been made as of the Closing Date (other than representations and warranties that by their terms address matters only as of another specified date, which shall be so true and correct only as of such other specified date), except where the failure of such representations or warranties to be so true and correct has not had, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on Purchaser's ability to consummate the transactions contemplated hereby;

(b) Purchaser shall have performed or caused to be performed, in all material respects, all of the obligations and covenants required by this Agreement to be performed by Purchaser by the Closing; and

(c) Purchaser shall have delivered, or caused to be delivered, to Sellers all of the items set forth in Section 2.6.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing. None of Purchaser or Sellers may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party's failure to use, as required by this Agreement, its reasonable best efforts to consummate the transactions contemplated hereby.

ARTICLE VIII

TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated only in accordance with this Section 8.1. This Agreement may be terminated at any time prior to the Closing:

(a) by the mutual written consent of the Company and Purchaser;

(b) by written notice of either Purchaser or the Company, upon the issuance by any Governmental Body of an Order restraining, enjoining, or otherwise prohibiting the consummation of the transactions contemplated by this Agreement or declaring unlawful the transactions contemplated by this Agreement, and such Order having become final, binding, and non-appealable; provided that no termination may be made by a Party under this Section 8.1(b) if the issuance of such Order was caused by the breach or action or inaction of such Party;

(c) by written notice of either Purchaser or the Company, in the event that the IIA denies the IIA Approval, respectively, or provides notice or other communication following receipt of which, taking into consideration all other relevant facts, circumstances, and communications, the IIA Approval, would not reasonably be expected to be received prior to the

Outside Date; provided that no termination may be made by a Party under this Section 8.1(b) if the foregoing was caused by the breach or action or inaction of such Party;

(d) by written notice of either Purchaser or the Company, if the Closing shall not have occurred on or before January 16, 2023 (the “Outside Date”); provided that if on the Outside Date any of the conditions set forth in Sections 7.1(a), 7.1(b) (to the extent relating to matters set forth in Section 7.1(a)), or 7.1(c) have not been satisfied but all other conditions set forth in Article VII shall have been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing; provided that such conditions shall then be capable of being satisfied if the Closing were to take place on such date), then each Party shall be entitled, upon written notice to the other Party, to extend the Outside Date to February 28, 2023 and such date shall become the Outside Date for purposes of this Agreement; provided further that a Party shall not be permitted to terminate this Agreement, or extend the Outside Date, pursuant to this Section 8.1(d) if the failure of the Closing to have occurred by the Outside Date was caused by the breach or action or inaction of such Party;

(e) by written notice of either Purchaser or the Company, if the Bankruptcy Case is dismissed or converted to a case or cases under Chapter 7 of the Bankruptcy Code, or if a trustee or examiner with expanded powers to operate or manage the financial affairs or reorganization of Sellers is appointed in the Bankruptcy Case;

(f) by written notice from the Company to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser will have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied, including a breach of Purchaser’s obligation to consummate the Closing; provided that (i) Sellers shall have provided notice to Purchaser of such breach at least five (5) Business Days prior to the effectiveness of such termination and, if such breach is curable by Purchaser then the Company may not terminate this Agreement under this Section 8.1(f) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date and (B) thirty (30) days after such notice and (ii) the right to terminate this Agreement pursuant to this Section 8.1(f) will not be available to the Company at any time that Sellers are in material breach of any covenant, representation, or warranty hereunder;

(g) by written notice from Purchaser to the Company, upon a breach of any covenant or agreement on the part of any Seller, or if any representation or warranty of any Seller will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or 7.2(b) would not be satisfied; provided that (i) Purchaser shall have provided notice to Sellers of such breach at least five (5) Business Days prior to the effectiveness of such termination and, if such breach is curable by such Seller then Purchaser may not terminate this Agreement under this Section 8.1(g) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date and (B) thirty (30) days after such notice and (ii) the right to terminate this Agreement pursuant to this Section 8.1(g) will not be available to Purchaser at any time that Purchaser is in material breach of any covenant, representation, or warranty hereunder;

(h) by written notice from the Company to Purchaser, if all of the conditions set forth in Sections 7.1 and 7.2 have been satisfied (other than conditions that by their nature are

to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions at the Closing) or waived and Purchaser fails to complete the Closing at the time required by Section 2.3;

(i) by written notice from the Company to Purchaser, if the board of directors (or similar governing body) of any Seller determines that proceeding with the transactions contemplated by this Agreement or failing to terminate this Agreement would be inconsistent with its or such body's fiduciary duties;

(j) by written notice from either Purchaser or the Company to the other Party, if either of the Sale Order or the Israeli Court Order has been stayed, revoked, rescinded or modified in any material respect and the Order staying, revoking, rescinding or modifying the Sale Order is not reversed or vacated within by the later of (i) twenty-one (21) days after the entry thereof and (ii) the date of entry of the Israeli Court Order;

(k) by written notice from Purchaser to the Company, if (i) Sellers shall have failed to file a voluntary petition for relief under the Bankruptcy Code and a motion seeking entry of an Order by the Bankruptcy Court authorizing any of Sellers to act as foreign representative on behalf of Sellers' estates within five (5) Business Days after the earlier to occur of (A) the conclusion of the Auction and (B) the date on which this Agreement is executed by each of Purchaser, Sellers and CE Seller; or (ii) the Sale Order shall not have been entered by the Bankruptcy Court on or before December 9, 2022; provided that Purchaser shall not be permitted to terminate this Agreement pursuant to this Section 8.1(k)(ii) if the failure of the Sale Order to be entered by the Bankruptcy Court on or before such date was caused by the breach or inaction of Purchaser; provided further that, notwithstanding anything to the contrary, the Parties may agree on the extension of such date via electronic transmission or electronic mail;

(l) by written notice from Purchaser to the Company, if (i) any Seller enters into one or more Alternative Transactions with one or more Persons other than Purchaser (if Purchaser is the Successful Bidder) or the Successful Bidder (if Purchaser is the Backup Bidder) or (ii) the Bankruptcy Court approves an Alternative Transaction other than with Purchaser (if Purchaser is the Successful Bidder) or the Successful Bidder (if Purchaser is the Backup Bidder); or

(m) by written notice from Purchaser to the Company, if Purchaser is not the Successful Bidder or the Backup Bidder.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become void and there shall be no Liability on the part of any Party or any of its partners, officers, directors or shareholders; provided that Section 2.2, this Section 8.2, and Article X shall survive any such termination; provided further that no termination will relieve Sellers or Purchaser from any Liability for damages, losses, costs, or expenses (including legal fees and expenses) resulting from any willful breach of this Agreement prior to the date of such termination (which, for the avoidance of doubt, will be deemed to include any failure by Purchaser to consummate the Closing if and when it is obligated to do so hereunder). For purposes of this Agreement, "willful breach" of any Party shall mean a deliberate act or a deliberate failure to act

by such Party with the intent to materially breach any provision applicable to such Party under this Agreement. Subject to Section 10.12, nothing in this Section 8.2 will be deemed to impair the right of any Party to be entitled to specific performance or other equitable remedies to enforce specifically the terms and provisions of this Agreement or any remedies in the event of Fraud by the other Party.

(b) In the event that this Agreement is terminated (i) by any Party at any time after the entry of the Sale Order pursuant to Section 8.1(i) or 8.1(l) or (ii) by any Party pursuant to Section 8.1(d) or 8.1(e), in either case of this clause (ii) in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Section 8.1(l), then no later than, (x) solely in the event this Agreement is so terminated in connection with an Alternative Transaction and any Alternative Transaction is consummated, the closing of such Alternative Transaction or (y) in all other circumstances, the third Business Day after such termination, Sellers shall pay to Purchaser a break fee equal to \$1,320,000 and reimbursement of Purchaser's documented out-of-pocket fees and expenses in connection with this Agreement the transactions contemplated hereby (including diligence and negotiation) up to an aggregate amount not to exceed \$1,000,000, which fee and reimbursement shall constitute an allowed administrative expense of Sellers under Bankruptcy Code sections 503(b) and 507(a)(1); it being understood that in the cause of clause (x) above, such payment will be made from the proceeds of such Alternative Transaction.

ARTICLE IX

TAXES

9.1 Transfer Taxes. At the Closing or, if due thereafter, promptly when due, all transfer Taxes, real property transfer Taxes, sales Taxes, use Taxes, excise Taxes, stamp Taxes, conveyance Taxes and any other similar Taxes applicable to (and with respect to VAT, in accordance with Sections 2.1 and 9.4), arising out of, or imposed upon the transactions contemplated by this Agreement (the "Transfer Taxes") will be borne and paid by Purchaser. Purchaser will prepare any Tax Returns with respect to such Taxes (other than VAT), and Sellers will cooperate with Purchaser in the preparation and filing of such Tax Returns. Sellers and Purchaser shall use commercially reasonable efforts and cooperate in good faith to exempt all such transactions from any Transfer Taxes (it being understood, for the avoidance of doubt, that such efforts shall not require the transactions to be structured so that Section 1146(a) of the Bankruptcy Code applies). Other than Transfer Taxes allocated to Purchaser pursuant to this Section 9.1, Sellers shall be solely responsible for paying and satisfying when due any and all Taxes arising out of the sale or transfer of the Acquired Assets and the Assumed Liabilities pursuant to this Agreement (but not including any withholding Taxes imposed on Purchaser with respect to the payment of the Purchase Price), and all such Taxes shall be considered Excluded Liabilities for purposes of this Agreement.

9.2 Cooperation. Following the Closing, Purchaser, the Company, and its Subsidiaries shall cooperate with and provide such assistance to each other and their Affiliates as may be reasonably requested in connection with the preparation or review of any Tax Return or claim for refund (or credit in lieu of a refund). Such cooperation will include making available to the other Parties and their Affiliates, upon request and during normal business hours, all books and records, information and employees (without substantial disruption of employment) retained and remaining

in existence after the Closing that are necessary or useful to the preparation or review of such Tax Return or claim for refund (or credit in lieu of a refund).

9.3 Straddle Period. For all purposes of this Agreement, in the case of any Straddle Period, the amount of any Taxes or refunds of Taxes (or credits for overpayment of Taxes) (other than property or *ad valorem* Taxes) of the Company and its Subsidiaries for the Pre-Closing Tax Period shall be determined based on an interim closing of the books as of the end of the Closing Date; provided that exemptions, allowances, or deductions that are calculated on an annual basis (including depreciation and amortization deductions) shall be apportioned on a *per diem* basis, and the amount of property or *ad valorem* Taxes (other than VAT) or refunds of such Taxes (or credits for overpayment of such Taxes) of the Company and its Subsidiaries for a Straddle Period that relates to the Pre-Closing Tax Period shall be deemed to be the amount of such Tax or refund of such Tax (or credit or overpayment) for the entire taxable period multiplied by a fraction the numerator of which is the number of days in the taxable period ending on the Closing Date and the denominator of which is the number of days in such Straddle Period.

9.4 VAT. The Company shall comply with Section 12 of the VAT Regulations of 1976 in order for the Intellectual Property to qualify for a zero-rate VAT in connection with the sale thereof. If (i) a zero-rate VAT was applied in respect of the Intellectual Property (or deemed to be applied to the Israeli Transferred Employees) and (ii) it is determined by the ITA that the Purchaser is not a '*foreign resident*' (תושב חוץ) pursuant to Section 30(C) of the VAT Law, then the Purchaser shall pay to Seller the applicable VAT amount in respect of the Intellectual Property (or in respect of any deemed payment for the Israeli Transferred Employees to the extent such VAT was not previously paid). With respect to tangible assets exported out of Israel (if any), the Company shall use its commercially reasonable efforts to obtain a valid Export Entry (הצהרת יצוא) from a customs agent in compliance with all legal requirements prior to such export.

9.5 Pre-Closing Taxes. Sellers shall be solely responsible for paying and satisfying when due any and all Taxes (a) of Sellers or any of their Affiliates or predecessors for any Tax period and (b) arising out of or attributable to the ownership or operation of the Acquired Assets on or before the Closing Date (including any Taxes for the Pre-Closing Tax Period of any Straddle Period as determined under Section 9.3), and all such Taxes shall be considered Excluded Liabilities for purposes of this Agreement.

ARTICLE X

MISCELLANEOUS

10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant, or agreement, detrimental reliance, or other right or remedy (whether in Contract, in tort, or at law or in equity) may be brought with respect thereto after the Closing and accordingly, neither Purchaser nor Sellers shall have no right to claim any loss, damages or Liabilities arising

therefrom or in connection therewith. For the avoidance of doubt, the Purchaser shall not be entitled to terminate or rescind this Agreement following Closing other than in the case of Fraud. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for five (5) years following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and Seller Parties acknowledge and agree, on their own behalf and on behalf of the Purchaser Group or the Seller Parties, as the case may be, that the agreements contained in this Section 10.1 (a) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for five (5) years or such longer period permissible by Law; and (b) are an integral part of the transactions contemplated hereby and that, without the agreements set forth in this Section 10.1, none of the Parties would enter into this Agreement. Purchaser Group, on its own behalf and on behalf of (after the Closing) the Company, hereby waives all rights and remedies with respect to any environmental, health or safety matters, including those arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, or any other Environmental Laws, relating to this Agreement or the transactions contemplated hereby.

10.2 Expenses. Whether or not the Closing takes place, except as otherwise provided herein (including, for the avoidance of doubt, Section 2.2 and Section 8.2), all fees, costs, and expenses (including fees, costs, and expenses of Advisors) incurred in connection with the negotiation of this Agreement and the other agreements contemplated hereby, the performance of this Agreement and the other agreements contemplated hereby, and the consummation of the transactions contemplated hereby and thereby will be paid by the Party incurring such fees, costs, and expenses; it being acknowledged and agreed that (a) all fees in connection with any filing or submission that is necessary under any Competition Laws will be allocated pursuant to Section 6.4(a), and (b) all Transfer Taxes will be allocated pursuant to Section 9.1.

10.3 Notices. Except as otherwise expressly provided herein, all notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (a) when personally delivered, (b) when transmitted by electronic mail, if by 5:00 PM local time of the recipient on a Business Day, otherwise on the next Business Day, (c) the Business Day following the day on which the same has been delivered prepaid to a reputable national overnight air courier service, or (d) the third (3rd) Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case, to the respective Party at the number, electronic mail address, or street address, as applicable, set forth below, or at such other number, electronic mail address, or street address as such Party may specify by written notice to the other Party in accordance with this Section 10.3.

10.4 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order (with respect to the matters covered thereby) and the entry and terms of the Sale Order, Sellers, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate

representative appointed in the Bankruptcy Case or any successor Chapter 7 case; provided that neither this Agreement nor any of the rights or obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and the Company, and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that without the consent of the Company, Purchaser shall be permitted to assign its right to acquire any of the Acquired Assets to one or more of its Affiliates (it being understood that if Purchaser exercises such right to assign, Purchaser may (at its option) determine to have a portion of the Purchase Price paid by the applicable Affiliate(s) to whom such right is assigned); provided further, however, that no such assignment shall relieve Purchaser of any of its obligations or Liabilities hereunder and shall not delay or adversely affect the likelihood of the Closing occurring hereunder.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and the Company or (b) waived only in a writing executed by the Party against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement will be construed to give any Person other than the Parties any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present, or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent, or Advisor of any Party or any Subsidiary of any Party will have any liability (whether in Contract, tort, equity, or otherwise) for any of the representations, warranties, covenants, agreements, or other obligations or Liabilities of any of the parties to this Agreement or for any Agreement Dispute.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided that each

section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, and any disclosure in the Schedules will be deemed a disclosure against any representation or warranty set forth in this Agreement, in each case, to the extent the relevance of such disclosure to an uninformed reader to such other section of the Schedules or such other representation or warranty set forth in this Agreement is reasonably apparent on the face of such disclosure. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules, or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and no Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules, or exhibits in any dispute or controversy between the Parties as to whether any obligation, item, or matter not set forth or included in this Agreement, the Schedules, or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. No information set forth in the Schedules will be deemed to broaden in any way the scope of the Parties' representations and warranties. Any description of any agreement, document, instrument, plan, arrangement, or other item set forth on any Schedule is a summary only and is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item, which terms will be deemed disclosed for all purposes of this Agreement. The information contained in this Agreement or the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the transactions contemplated by this Agreement and supersedes all prior agreements among the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the transactions contemplated by this Agreement. 11.3 Rules of Interpretation. Unless otherwise expressly provided in this Agreement, the following will apply to this Agreement, the Schedules and any other certificate, instrument, agreement, or other document contemplated hereby or delivered hereunder.

(a) Accounting terms which are not otherwise defined in this Agreement have the meanings given to them under GAAP consistently applied. To the extent that the definition of an accounting term defined in this Agreement is inconsistent with the meaning of such term under GAAP, the definition set forth in this Agreement will control.

(b) The terms “hereof,” “herein” and “hereunder” and terms of similar import are references to this Agreement as a whole and not to any particular provision of this Agreement. Section, clause, schedule, and exhibit references contained in this Agreement are references to

sections, clauses, schedules, and exhibits in or to this Agreement, unless otherwise specified. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth in full herein. Any capitalized terms used in any Schedule or Exhibit but not otherwise defined therein shall be defined as set forth in this Agreement.

(c) Whenever the words “include,” “includes,” or “including” are used in this Agreement, they will be deemed to be followed by the words “without limitation.” Where the context permits, the use of the term “or” will be equivalent to the use of the term “and/or.”

(d) The words “to the extent” shall mean “the degree by which” and not “if.”

(e) When calculating the period of time before which, within which, or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period will be excluded. If the last day of such period is a day other than a Business Day, the period in question will end on the next succeeding Business Day.

(f) Words denoting any gender will include all genders, including the neutral gender. Where a word is defined herein, references to the singular will include references to the plural and vice versa.

(g) The word “will” will be construed to have the same meaning and effect as the word “shall”. The words “shall,” “will,” or “agree(s)” are mandatory, and “may” is permissive.

(h) All references to “\$” and dollars will be deemed to refer to United States currency unless otherwise specifically provided.

(i) Any document or item will be deemed “delivered,” “provided,” or “made available” by Sellers, within the meaning of this Agreement if such document or item is (a) included in the Dataroom, (b) actually delivered or provided to Purchaser or any of Purchaser’s Advisors, or (c) made available upon request, including at the Company’s or any of its Subsidiaries’ offices.

(j) Any reference to any agreement or Contract will be a reference to such agreement or Contract, as amended, modified, supplemented or waived.

(k) Any reference to any particular Code section or any Law will be interpreted to include any amendment to, revision of or successor to that section or Law regardless of how it is numbered or classified; provided that, for the purposes of the representations and warranties set forth herein, with respect to any violation of or non-compliance with, or alleged violation of or non-compliance with, any Code section or Law, the reference to such Code section or Law means such Code section or Law as in effect at the time of such violation or non-compliance or alleged violation or non-compliance.

(l) All references to a day or days shall be deemed to refer to a calendar day or calendar days, as applicable, unless otherwise specifically provided.

(m) A reference to any Party to this Agreement or any other agreement or document shall include such Party’s successors and permitted assigns.
